

NEW FOR FALL 2009 SEMESTER

Are you a caregiver for someone with dementia???

The Wellness Program at Scottsdale Community College has a **NEW** Special Topic 2-credit course for FALL 2009 with a **SPECIAL EMPHASIS:**

CURRENT ISSUES OF CAREGIVING FOR ALZHEIMER'S DISEASE AND OTHER DEMENTIAS

This class will specifically address a range of dementia caregiver issues, and include resource information, tools, techniques, useful interactive skills, and guest speakers from the Alzheimer's Association, Banner Alzheimer's Institute, Foundation for Senior Living, Area Agency on Aging, and more.

Who should Attend?

- ▶ **CAREGIVERS** who are caring for someone with dementia at home
- ▶ **VOLUNTEERS** who work with dementia caregivers
- ▶ **HEALTHCARE WORKERS** who deal with dementia caregivers
- ▶ **STUDENTS** interested in current issues of the lay caregiver

WED 195AC #64918
