Fees for maintenance, safety, equipment, food service and technology are in addition to the base rental rate listed here. Costs for additional services are according to a separate fee schedule established by the College, and will be calculated based on the event requirements.

Facilities Rental does not include office supplies, office equipment, communication services, unless specifically provided by contract.

Scottsdale Community College operates on land leased from the Salt River Pima Maricopa Indian Community. As such, any rental of facilities is subject to the laws of the Community. This may include sales tax, use and special event permits, dependent on the nature of the rental activity. Any prospective renter should contact the Facilities Office for additional information on these requirements.

All rates are fixed and subject to change based on determinations made only by the MCCCD Governing Board.
