Name of Student	Grade Level	Category
1.		Project team
2.		Project team
3.		Project team

Final Jeopardy Competition:

The three schools scoring the combined highest score from the first 3 rounds will participate in the final oral competition – one team per school. This oral exam will consist of questions in the areas of mathematics, biology, chemistry and physics. Each school will have 4 students on a team for this final round.

When you arrive at Scottsdale Community College, we will need each student's full, given name in order to process scholarships and other awards.

Please complete this form and return it to Patricia Dueck, by mail, FAX or email by Friday January 8, 2010
