NOTE: Students that have a Bachelor's degree are required to submit an extension request. Federal Regulation requires all schools establish satisfactory progress standards to ensure that students are moving toward successful completion of their program of study. Because SCC is a two year institution, the number of allowable credits is exceeded under the standard for students who have a bachelor's degree. An appeal process is available for consideration of extenuating circumstances. You must complete and submit the "Financial Aid Extension" for review. Requests are reviewed weekly, and may be denied or have stipulations. You can download the extension form at: [www.scottsdalecc.edu/financial](http://www.scottsdalecc.edu/financial), click on "forms".
