

PSY 132 – Psychology and Culture

CULTURAL MOVIE

This assignment is designed to provide you the opportunity to watch a movie which focuses on the experiences of a specific culture. Students will be assigned a movie randomly to watch. Students will share their experiences with their classmates.

Objectives

Learn about a specific culture by watching a movie of that culture.

Tasks

You will be assigned a movie randomly which you should watch and on which you will prepare a written report. This report should include the following four (4) elements.

1. The name of the movie you watched and the culture involved.
2. A summary of what the movie was about.
3. What did you learn about the culture that was interesting or unique?
4. What did you like and / or dislike about the movie?

Format

All work that is turned in must be **typed, double-spaced** on 8½" x 11" paper. Place your name in the upper right-hand corner of your paper. If there are multiple pages, then the pages must be **stapled** in the upper left-hand corner. Plagiarism (copying from another source) is grounds for a paper to be rejected. **Papers that do not follow these format criteria will not be accepted.**

Point Value

This project is worth a maximum of 15 points.
