10-02-2008

Meeting time 3pm – 4:00pm, Room SC 172 (Azurite Room)

Next meeting: Thursday, October 9th, Room 172 (Azurite Room)

Members in attendance:

Drew Hanley, Jesenka Simeunovic, Thomas Williams

Agenda: Discuss future events, visit SCC Community Garden.

Events:

- We visited the SCC Community Gardens and picket to pick out a lot. We met with the former President of the Garden Club, and he gave us some tips about the lots.
- October 22nd
 - Campus Sustainability Day, where we will participate in a video conference with ASU and other Community Colleges for Campus Sustainability Day. We could also set a table, and educate people about our club, and have a membership drive...or similar, but that is still open, and your suggestions are very much appreciated.
- November 8th
 - Drew is going to organize a campus cleanup day, and we would love for you all to help him out with that, by talking to your teachers if they would mention this in their classes.
- November 22nd
 - Drew would like to organize a cleanup dive at the Salt River. We will receive more information on that when we get closer to that date, but please let us know if you are interested in participating. You will not have to dive, just stand on the shore to separate the recycling from the trash.
 -
- We would like to encourage the Culinary Program to commit one day offering a menu, from organic, local products.

Officers:

- As you might already know, we established our Officers
 - Co-Presidents: Daniel da Silveira & Drew Hanley
 - Vice -President: Tasha Wenderlich
 - Treasurer: Peter Donkin
 - Secretary: Kelly Boym

Thanks again to the all the officers for stepping forward to make this club a success story.
