Grading Guidelines for the Instructor

The weighting for this Honors Contract is at your discretion. Many instructors weight the Honors Contract at 20% of the overall course grade. An example of this would be:

	<u>Weight</u>	<u>Score</u>	<u>Calculation</u>
Regular Syllabus	80%	88%	$80\% * 88\% = 70.4\%$
Honors Contract	<u>20%</u>	<u>100%</u>	$20\% * 100\% = 20\%$
Weighted Total	100%		$70.4\% + 20\% = \mathbf{90.4\%}$
