

Request for Accommodations

Name: _____

Student ID: _____

Class (example ENG 101):

What accommodation do I need for each class?

State what your disability is: _____

Are you a new or returning student?: New Returning

Circle the best answer to the statements below:

Section 504 of the Rehabilitation Act requires colleges to provide access to educational programming, but does not ensure success.

- a. True
- b. False

In higher education, Section 504 states that students are:

- a. Entitled to participate
- b. Must be eligible/otherwise qualified to participate
- c. Must be successful in all of their courses
- d. Students with disabilities do not have to complete the same homework as their non-disabled classmates

Students with disabilities in higher education must meet the same standards (as non-disabled students) in the classroom, and adhere to the same Code of Conduct (even if behavior issues are a result of their disability).

- a. True
- b. False

If a student needs academic accommodations, they:

- a. Make the request one time and DRS staff set up accommodations each semester
- b. Must make the request every semester in order to get accommodations
- c. Never have to make a request for accommodations because their high school contacts DRS staff
- d. Wait for their parents to make the request
