

Strategic Planning and Allocating Resource Council (SPARC) Charter

Purpose:

The Strategic Planning and Allocating Resource Council (SPARC) shares in the governance of the college through the continual process of strategic planning and resource management.

The council oversees development and alignment of the Strategic Plan, Functional Area plans, and Unit/Committee Improvement Plans.

The council will optimize resources and ensure linkage between planning and resource allocation by making recommendations to the President.

Organization:

The council is led by a horizon team and made up of a cross representation of positions across the college including Academic Affairs, Student Affairs, Administrative Services and Institutional Advancement areas.

Horizon Team:

Paula Livingston - Director of Institutional Strategies
Laurie Cohen - Director of Institutional Research
Colleen O’Neill - VP of Admin Services

Donna Young - VP of Student Affairs
Lucas Messer - Faculty Senate Presidency
