

DRESS TO IMPRESS

from Head to Toe

**"You never get a second chance
to make a first impression."**

—WILL ROGERS

DO

- Consider the company's culture and aim to match what you see posted on their website or social media posts.
- Shirt, slacks, dress or skirt should be ironed, in good condition and paired with simple accessories.
- Select a belt that matches your footwear color and confirm that footwear is in good condition.
- Finish the outfit with natural make-up, trimmed facial hair and simple accessories (earrings, belt, etc.)

DON'T

- Wear anything wrinkled, ripped, messy or distressed.
- Avoid wearing strong scents, dramatic make-up or revealing attire.
- T-shirts, shorts, flip-flops or casual loungewear is not appropriate. Under-dressing does not demonstrate preparation or respect for the invitation to interview.

VIRTUAL INTERVIEW TIPS

- Dress professionally from head to toe and maintain good posture. Confirm the camera displays you on the screen from the chest up, including your entire head.
- Make sure the background is professional, clean, and has good lighting (no backgrounds of your bed, closet or noisy coffee shop). Reserve a room at a library or community center.
- Check the screen height, lock your chair position (prevents rocking, side-swivel or tilt) and be in a quiet room.
