

Annual Security Report

2025

The federal Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act) requires colleges and universities, both public and private, participating in federal student aid programs to disclose campus safety information, and imposes certain basic requirements for handling incidents of sexual violence and emergency situations. Disclosures about crime statistics and summaries of security policies are made once a year in an Annual Security Report.

Message from the President
Scottsdale Community College

On behalf of the faculty, staff, and administration of Scottsdale Community College (SCC), it is my pleasure to welcome you to our college community.

The safety and security of our students, employees, and visitors is a top priority. SCC's professional law enforcement services are provided by the Maricopa County Community College District (MCCCD) Police Department—a dedicated law enforcement agency that operates onsite 24 hours a day, 7 days a week, 365 days a year. Police personnel assigned to SCC are available every day to provide assistance or information, either in person or by phone.

The MCCCD Police Department office at Scottsdale Community College is located in the Library (LIB) building, on the south side of campus south of Two Waters Circle (TWC). For assistance, you may contact the MCCCD Police Central Communications Center at (480) 784-0900 for non-emergencies or (480) 784-0911 for emergencies.

SCC's campus is located entirely within the boundaries of the Salt River Pima Maricopa Indian Community (SRPMIC), east of the 101 freeway at Chaparral Road. The MCCCD Police maintain strong working relationships with the Salt River and Scottsdale Police Departments to ensure a safe learning environment for all.

Everyone in our college community has a role in safety. If you are the victim of a crime, or if you observe suspicious activity, I encourage you to report it immediately to MCCCD Police. I am confident you will find MCCCD Police officers to be approachable, knowledgeable, and highly professional.

Please take a few moments to review the information in this Annual Security Report. Additional safety resources and links to other Maricopa Community Colleges' Annual Security Reports are available at <https://police.maricopa.edu/>.

Thank you for your shared commitment to safety and security at SCC. Together, we can foster an environment where learning and personal growth can flourish.

Sincerely,

Dr. Eric Leshinski President
Scottsdale Community College

Annual Security Report Preparation

The U.S. Congress enacted the Crime Awareness and Campus Security Act in 1990, which requires postsecondary institutions to disclose campus crime statistics and security information. In 1998, the act was renamed the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act – Clery Act – in memory of a student who was slain in her dorm room in 1986 in Pennsylvania.

The Violence Against Women Reauthorization Act of 2013 includes the Campus Sexual Violence Elimination Act, which affords additional rights to campus victims of sexual assault, domestic violence, dating violence, and stalking. VAWA also amended the Clery Act and provided additional reporting requirements.

These federal statutes require higher education institutions to give timely warnings of crimes that represent a threat to the safety of students or employees and to publicize their campus security policies. They require crime data to be collected, reported, and disseminated to the campus community as well as to the U.S. Department of Education. The purpose is to provide students and their families with accurate, complete, and timely information about safety on campus, so they can make informed decisions.

The Maricopa Community Colleges Police Department prepares the text of this Annual Security and Fire Safety Report through a collaborative team approach, which involves other departments within the colleges including the Office of Student Rights and Responsibilities, Counseling Services, and Title IX.

The Maricopa Community Colleges Police Department collects statistical data provided by reports to the Police, other identified campus security authorities and other law enforcement agencies. You may view the Salt River Police Department website or the Scottsdale Police Department website to see crime statistics for the general area around the SCC Main Campus.

The Maricopa Community Colleges do not use any personally identifying information in public record keeping including Clery Act reporting and disclosures such as the Annual Security Report and Daily Crime Log.

The Maricopa Community Colleges Police Department distributes a notice of availability of the Annual Security Report by October 1 of each year to every member of the college community. Anyone, including prospective students and employees, may obtain a copy of the report by visiting <https://police.maricopa.edu/>.

Annual Security Report

The 2025 Annual Security Report is prepared to inform you of SCC's campus crime statistics, security policies, fire statistics, and steps you can take to enhance your safety. It also includes policies, and programs regarding sexual assault, dating violence, domestic violence, stalking, and alcohol and drug prevention campaigns. This report includes information for the SCC Main Campus for the 2022, 2023 and 2024 calendar years.

Police Jurisdiction on MCCCDCampuses

The MCCCDC Police Department is vested with the authority and responsibility to enforce all applicable local, state and federal laws, as well as MCCCDC policies. MCCCDC Police Officers have the authority and duty to conduct criminal investigations, arrest violators and suppress campus crime. MCCCDC Police are empowered by the State of Arizona to provide police and other quality safety services to the Maricopa Community College District.

MCCCDC Police officers are duly sworn peace officers under [A.R.S. § 13-3871](#), are authorized to carry firearms, and have the same authority as municipal police officers to use police powers of arrest in the state of Arizona. On-duty Police Officers traveling outside routine patrol areas on official College business may take appropriate law enforcement actions as necessary in the absence of available Local, County or State officers up to and including investigation and final criminal disposition.

The MCCCDC Police Department also employs unarmed police aides to assist with campus security. Police aides are full and part-time department employees who serve as the “eyes and ears” of MCCCDC Police. They take reports for minor incidents, provide basic emergency services and assist police officers as needed.

The MCCCDC Police Department also contracts with an independent security firm to oversee safety and security in the absence of Police/Public Safety Personnel. They typically provide security during the hours the campus is closed. Police Officers, Public Safety Aides and Contract Security Staff have distinct uniforms and photo ID’s which allow them to be identified by members of the college and surrounding community.

Public Safety Aides and Contract Security Staff have the authority to enforce College policies. The patrol jurisdiction of Public Safety Aides and Contract Security Staff is limited to any buildings or properties owned or controlled by Scottsdale Community College.

Agreements with State and Local Law Enforcement Agencies

The SCC Police Department works closely with both the Salt River and Scottsdale Police Departments. The SCC Police Department does not have written Mutual Aid Agreements or Memorandums of Understanding with those agencies, specifically pertaining to the investigation of criminal incidents.

If an outside law enforcement agency contacts MCCCDC regarding a student organization, which is officially recognized by the institution, the Student Code of Conduct would dictate

the appropriate intervention for the college. The Student Conduct Code shall apply to conduct that occurs on college or District premises, or at college- or District-sponsored activities, that adversely affects the college community and/or the pursuit of its objectives. Each student shall be responsible for his/her conduct from the time of admission through the actual awarding of a degree, certificate, or similar indicator of completion of a course of study, even though conduct may occur before classes begin or after classes end, as well as during the academic year and during periods between terms of actual enrollment (and even if their conduct is not discovered until after a degree is awarded). The Student Conduct Code shall apply to a student's conduct even if the student withdraws from school while a disciplinary matter is pending.

Monitoring and Recording of Criminal Activity by Students at Non-Campus Locations of Recognized Student Organizations

SCC does not have officially recognized student organizations that own or control housing facilities outside of the SCC core campus. Therefore, local Police Departments are not used to monitor and record criminal activity since there aren't any non-campus locations of student organizations.

District Police Department SCC Office Location

The MCCCDCD Police Department office at SCC is in the Library Building (LIB) located on the south side of campus just south of Two Waters Circle

Crime Logs

The MCCCDCD Police Department maintains a daily crime log documenting reported crimes in accordance with the Clery Act. Campus Crime Logs can be accessed electronically on the MCCCDCD Police website <https://police.maricopa.edu/> or viewed in person by going to any of the MCCCDCD police department locations on our campuses.

Reporting Crimes and Incidents

The Maricopa Community College District has a number of ways for campus community members and visitors to report crimes, serious incidents, and other emergencies to law enforcement and appropriate college officials. Regardless of how and where you decide to report these incidents, it is critical for the safety of the entire college community that incidents be reported immediately and accurately so MCCCDCD Police, or the responsible jurisdictional agency, can investigate the situation and determine if follow-up actions are required, including issuing a Timely Warning or emergency notification.

MCCCDCD students, faculty and staff are encouraged to report all crimes and suspicious activity in an accurate and timely manner. If the victim elects not to or is unable to report, a third party may make the report.

Crimes in progress and serious crimes that have just occurred should be reported by calling 480-784-0911 from any phone or **40911** from any campus phone. Whenever possible, the actual victim of the crime or witness should call directly. First-hand information is usually more accurate and complete. You may report a crime if someone gives you the information and leaves, but include this fact when reporting. Crimes or suspected crimes may be reported by telephone, in person, or with the Maricopa Guardian mobile application. The Maricopa Guardian app is available through [Google Play](#) and the [Apple App Store](#).

Non-emergency crimes occurring on MCCCDCD property can be reported by dialing **480-784-0900** from any phone or **40900** from any campus phone. MCCCDCD Police Officers or Public Safety Aides will respond to all non-emergency calls for service.

MCCCDCD Police Communications & Records Bureau

The MCCCDCD Police Communications & Records Bureau is staffed 24 hours a day, seven days a week, by trained public safety dispatchers. Our communication center is centralized and handles both emergency and non-emergency calls for services. Emergency phone calls and officer radio transmissions take precedence; however, all calls will be answered as soon as possible.

Dispatchers receive emergency and non-emergency phone calls from the college community which are requesting police or other emergency services using a multi-line telephone system while monitoring fire, intrusion and emergency notification systems. Dispatchers also monitor the Maricopa Guardian mobile app dashboard for emergency incidents. Dispatchers enter calls with pertinent information from callers into a Computer Aided Dispatch system to be disseminated to officers who respond.

What to expect when calling 911

When calling to report a crime or incident, be ready to give information on the following questions:

- Where is the incident occurring?
- What is happening?
- When did the incident occur?
- Who is involved?
 - Where and when the suspect(s) were last seen
 - Suspects(s) description (including gender, race, age, height, weight, hair color/length, clothing, facial hair, tattoos/scars)
- Weapon(s), if any, and a description
- Other relevant information

In addition to the importance of reporting, information assists responders in developing timely warnings for the college community.

Cell phones do not automatically register caller's names and exact location information in the 911 system. When calling 911 from a cell phone, tell the dispatcher you are calling from a cell phone and provide the location of your emergency. Dispatchers will ask questions regarding the emergency and may confirm information for a proper agency response. Cell phone 911 calls may be redirected to another law enforcement agency depending on the location of the emergency.

Campus Security Authorities

While the district encourages the college community to promptly report all crimes and other emergencies directly to the MCCCDCD Police Department, the district also recognizes that some may prefer to report the incident to other individuals and offices. The Clery Act recognizes certain college officials, employees, and offices as Campus Security Authorities (CSAs). The act defines these individuals as "officials of an institution who have significant responsibility for student and campus activities," including but not limited to, student discipline, student activities, student club advisors and coaches. An example of individuals or college departments are: Dean of Students, Disability Services, Veteran's Services, and Athletic Coaches.

The function of a Campus Security Authority at the colleges is to report to the MCCCDCD Police those allegations of Clery Act crimes that they receive. CSAs are responsible for reporting allegations of Clery Act crimes that are reported to them in their capacity as a CSA. This means that CSAs are not responsible for investigating or reporting incidents that they overhear students talking about in a hallway conversation; that a classmate or student mentions during an in-class discussion; that a victim mentions during a speech, workshop, or any other form of a group presentation; or that the CSA otherwise learns about in an indirect manner.

When the District Contracted Security Company personnel are working at colleges, they are considered Campus Security Authorities by Federal Law and the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. As such, any employee of the company who works at any location that is owned, leased or controlled by the District is required to immediately report any crime reported to them to the reporting structure of the Institution, which is the Maricopa County Community District Police Department. The District Contracted Security Company must add this requirement to the Standard Operating Procedures that are read by the officers and supervisors who work on site on all district owned, leased, or controlled properties.

Members of the community are helpful when they immediately report crimes or emergencies to the MCCCDCD Police Department and/or Campus Security Authorities for purposes of including them in the annual statistical disclosure and assessing them for issuing a Timely Warning Notices, when deemed necessary.

Confidential or Anonymous Reporting

Professionally licensed counselors and pastoral counselors are exempt from Clery Act reporting requirements. To be exempt from disclosing reported offenses, pastoral or professional counselors must be acting in the role of pastoral or professional counselors. Currently, MCCCDCD only employs academic counselors who are not exempt from Clery Act reporting requirements.

However, our counselors are encouraged to inform a person receiving counseling of the procedure for reporting crime on a voluntary, confidential basis for the purpose of including the crime in the annual disclosure of crime statistics. When making such a report, the individual is not required to disclose personally identifying information.

A victim's personally identifying information (e.g., name, home or other physical address, contact information, social security number, date of birth) will never be included in the Clery crime log, the Annual Security Report, or any other publicly available recordkeeping related to the Clery Act.

If you would like to report a crime, whether as a victim or witness, but do not wish to reveal your identity, you may contact the MCCCDCD Police at 480-784-0900 or use the Maricopa Guardian mobile application available through [Google Play](#) and [Apple App Store](#). Additional information is helpful to fully investigate and prosecute crime; however, MCCCDCD Police will respond to all reports of suspicious or criminal activity.

If you are the victim of a crime and do not want to pursue action within the College system or the criminal justice system, you may still want to consider making a confidential report. With your permission, a MCCCDCD PD officer can file a report on the details of the incident without revealing your identity (except to the [Title IX Regional Director](#) in the event of a reported sex offense or sexual harassment). The purpose of a confidential report is to comply with your wish to keep the matter confidential, while taking steps to enhance the future safety of yourself and others. With such information, the District Police Department can keep an accurate record of the number of incidents involving students, employees and visitors, determine where there is a pattern of crime with regard to a particular location, method, or assailant, and alert the campus community to potential danger.

Reports filed in this manner are counted and disclosed in the annual crime statistics for the institution.

Services to Help You Stay Safe and Prevent Crime

Community Policing

Community-based policing is a collaborative effort between a police department and community that identifies problems of crime and disorder and involves all elements of the community in the search for solutions to these problems. It is founded on close, mutually beneficial ties between police and community members.

In addition to partnering with the community, collecting and analyzing reported crime data plays an important part in this process. The data is reviewed and then educational, enforcement, and deterrent strategies are employed to reduce the occurrence of crime in our community.

The MCCCCD Police Department believes that preventing crime is a shared responsibility. For every crime committed, there must be a desire, an opportunity, and the ability to commit the crime. While you cannot control another's desire or ability to commit a crime, you can control the opportunity by doing the following:

- Always remain alert and aware of your surroundings.
- Always secure valuable items with a proper lock.
- Do not walk alone at night.
- Never leave valuable items unattended.
- Record the make, model and serial numbers of your valuables.
- Report any unusual or suspicious activity you witness.

Safety Escort Services

A Campus Safety Escort Program has been established, as part of the MCCCCD Police Department's commitment to value-added community-oriented policing. Escorts are limited to the boundaries of MCCCCD properties. Safety escorts are provided by MCCCCD Police Officers and or Public Safety Officers. To request a safety escort at any time, contact the MCCCCD Police at 480-784-0900.

Emergency Call Boxes

Some colleges have emergency call boxes located throughout their campuses. They are easily identifiable by the blue light on the top of the pole with Emergency printed on it or by a bright yellow box mounted on a metal pole. To operate the call box, simply press the call button, District Police personnel will answer immediately and provide assistance. If the area remains unsafe, you may move to the next call box location and activate it until police arrive. Your location is identifiable to police with each activation. The emergency phones are not only located near campus buildings but also in many of the college operated parking lots and parking structures. The emergency phones are directly linked to the District Police on their corresponding campuses.

Alertus & Rave Communicators

Alertus

At various locations, flashing strobes indicate an incident has or is about to occur in an immediate area. The strobes are supported by electronic message boards that provide directives for evacuation, lockdown, or shelter in place. Students and employees are expected to comply with these directives.

Rave Alert

The Maricopa Emergency Management System (MEMS) is an emergency notification system being used by Maricopa districtwide to communicate emergency messaging to all students, employees, and interested parties in the form of a Rave Alert. All students and employees are automatically enrolled in MEMS for text and email notifications. In the event of an emergency on any campus, MCCCDC will use the Rave Alert Emergency Notification System to alert students, faculty and staff via text and email. Alerts are sent when there is an ongoing emergency on or near campus that presents a threat to the safety of the campus community. Messages can be pre-recorded or altered depending on the severity of the situation. Follow up text messages will be sent once the emergency is all clear. It is important to ensure that your contact information is correct and up to date. Contact Information for emergency messaging is ultimately being populated by the data stored in other systems.

Students can manage their Contact Information in SIS (Student Center). Be careful not to confuse your “Emergency Contact” with your Contact Information. To update your Contact Information, scroll to the bottom of the screen and find your Contact Information listed in the “Personal Information” section. Click on the appropriate hyperlinks to edit your Contact Information.

Employees can manage their Contact Details in HCM. Be careful not to confuse your “Emergency Contacts” with your Contact Details. To update your Contact Details, click on “Personal Details” under “Employee Self Service.” Next, click on “Contact Details.” Click on the appropriate hyperlinks to edit your Contact Details.

Interested parties who do not have logon credentials to SIS (Student Center) or HCM should register to receive emergency alerts from Maricopa’s Opt-In Portal: <https://www.getrave.com/login/maricopa-community>

Maricopa Guardian App

The Maricopa Guardian app is an additional step MCCCDC takes to improve the safety and security of the campus community. MCCCDC community members gain more mobile reporting power for reporting crimes and emergencies with the free mobile app available

through [Google Play](#) or [Apple App Store](#). Smartphone users who download the app can report tips to MCCCDCD Police, make emergency calls, and perform other functions that help enhance their personal safety and security, including requesting Safety Escorts on campus. The app allows users to communicate anonymously with MCCCDCD Police in real-time via audio and text messages.

Users can also create a network of guardians consisting of family, friends and others they trust to look after them. Friends and family also can virtually walk an app user home. The app's Safety Timer feature uses the phone's GPS to locate an app user's progress on a Web-based map. Users may deactivate the Safety Timer once they have reached their destination safely. Users have total control over who they invite to use this feature, and they also may disable access at any time. The feature is a one-time use, and cannot be used by a family member or friend to monitor a person's location at a later time.

Crime Awareness & Prevention

General Crime Prevention

Maricopa Community Colleges strives to maintain a safe and secure college environment for students, staff and visitors. Offices, laboratories and classrooms are secured when not in use and our officers who discover defective doors and locks, interior/exterior lighting problems, or other safety hazards, immediately report the situation to the appropriate college department for action. To further improve safety, the college encourages all campus community members to take an active role and immediately report any observation of a suspected crime, unusual or suspicious activity, emergency, or hazardous condition to their District Police departments.

Prevention Programs

Police officers conduct presentations relating to crime prevention and safety policies during orientations and at other times, when requested by staff or students. Crime prevention materials are distributed to all incoming students.

Safety Presentations

Members of the District Police Department office routinely provide safety presentations during class orientations. They are also available to talk to any department or groups of students. The orientations and talks are designed to educate members of the college community about the services provided and how to avoid becoming the victim of a crime at the college. During the 2023-2024 academic year, SCC offered crime prevention and security awareness programs to new and returning students. Topics such as personal safety, standard response protocol, and emergency preparedness are some examples of programs offered during the academic year.

All crime prevention and security awareness programs encourage students and employees to be responsible for their own security and the security of others.

Bicycle Registration Program

The Maricopa County Community District Police are asking for your help in combating bicycle thefts on campus. Please [register](#) your bike with our department and always lock your bicycle to a secure authorized bike rack whenever it is unattended. Please contact our department for more information.

Theft Prevention Tips

- Never leave your bicycle unattended! Lock it up to an authorized/secure bike rack in a well-lit area with frequent pedestrian traffic.
- Report suspicious activities! Report any suspicious activity near bike racks - if you see something, say something.
- Register your bike! Register your bike with the district police to ensure we have the information needed

Title IX Sexual Harassment Policy

Sexual Harassment and Discrimination Policy

The policy of the Maricopa County Community College District (MCCCD) is to provide an educational, employment, and business environment free of sexual violence, unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct or communications constituting Sexual Harassment as prohibited by state and federal law. Discrimination under this Policy is an unequal treatment of a student based on the student's actual or perceived gender, sexual orientation, or pregnancy. This Policy prohibits Sexual Harassment and Discrimination in any college education program or activity, which means all academic, educational, extracurricular, athletic and other programs.

Sexual Harassment

The 2020 Title IX Regulations define sexual harassment broadly to include any of three types of misconduct that—on the basis of sex—jeopardize the equal access to education and the educational programs/activities that Title IX is designed to protect. These three types of misconduct are:

1. Any instance of quid pro quo harassment by a school's employee;
2. any unwelcome conduct that a reasonable person would find so severe, pervasive, and objectively offensive that it denies a person equal educational access;
3. any instance of sexual assault (as defined in the Clery Act), dating violence,

domestic violence, or stalking as defined in the Violence Against Women Act (VAWA). For definitions of sexual assault, dating/domestic violence, and stalking, please see the [Title IX Sexual Harassment Policy](#).

Implementation of 2024 Title IX Regulations and New Administrative Regulations

The U.S. Department of Education published new Title IX regulations on April 19, 2024, that went into effect on August 1, 2024. Title IX aims to promote gender equity, prevent sex discrimination, and address instances of sex-based harassment, including sexual violence and sex discrimination on campus. Two new Administrative Regulations (AR 5.1.17 and 5.1.18) and a related procedure have been adopted. They are available on the District Webpage.

JEANNE CLERY DISCLOSURE OF CAMPUS SECURITY POLICY AND CAMPUS CRIME STATISTICS ACT, AS AMENDED BY THE VIOLENCE AGAINST WOMEN REAUTHORIZATION ACT OF 2013 (VAWA)

Scottsdale Community College prohibits the offenses of domestic violence, dating violence, sexual assault and stalking (as defined by the Clery Act) and reaffirms its commitment to maintaining a campus environment that emphasizes the dignity and worth of all members of the College community. Toward that end, Scottsdale Community College issues this statement of policy to inform the campus community of our programs to address domestic violence, dating violence, sexual assault and stalking as well as the procedures for institutional disciplinary action in cases of alleged dating violence, domestic violence, sexual assault, or stalking, which will be followed regardless of whether the incident occurs on or off campus when it is reported to a College official.

 - By any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred.
- **Dating Violence:** The state of Arizona defines dating violence as violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship shall be determined based on the reporting party’s statement and with consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship.
 - Dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse.
 - Dating violence does not include acts covered under the definition of domestic violence.

- **Sexual Assault:** The state of Arizona defines sexual assault as any sexual act directed against another person, without consent of the victim, including instances where the victim is incapable of giving consent.
 - **Rape** – the penetration, no matter how slight, of the vagina or anus, with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim. This offense includes the rape of both males and females.
 - **Fondling** – the touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental incapacity.
 - **Incest** – sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.
 - **Statutory Rape** – sexual intercourse with a person who is under the statutory age of consent.

- **Stalking:** The state of Arizona defines stalking as engaging in a course of conduct directed at a specific person that would cause a reasonable person to –
 - Fear for the person’s safety or the safety of others; or
 - Suffer substantial emotional distress.
 - **Course of conduct** – two or more acts, including, but not limited to, acts in which the stalker directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with a person’s property.
 - **Reasonable person** – a reasonable person under similar circumstances and with similar identities to the victim.
 - **Substantial emotional distress** – significant mental suffering or anguish that may, but does not necessarily require medical or other professional treatment or counseling.

- **Consent:** The state of Arizona defines “without consent” as any of the following:
 - The victim is coerced by the immediate use or threatened use of force against a person or property.
 - The victim is incapable of consent by reason of mental disorder, mental defect, drugs, alcohol, sleep or any other similar impairment of cognition and such condition is known or should have reasonably been known to the defendant. For the purposes of this subdivision, "mental defect" means the victim is unable to comprehend the distinctively sexual nature of the conduct or is incapable of understanding or exercising the right to refuse to engage in the conduct with another.
 - The victim is intentionally deceived as to the nature of the act.
 - The victim is intentionally deceived to erroneously believe that the person is the victim's spouse.

In the Maricopa County Community Colleges District (MCCCD), consent can only

be given by a person of legal age, cannot occur when a person is mentally or physically incapacitated (which includes intoxication), and requires that all parties understand the who, what, when, where, why, and how of the sexual interaction.

Consent is:

- knowing
- voluntary, and
- clear permission
- by word or action
- to engage in sexual activity

Since individuals may experience the same interaction in different ways, it is the responsibility of each party to determine that the other has consented before engaging in the activity.

For consent to be valid, there must be a clear expression in words or actions that the other individual consented to that specific sexual conduct. Reasonable reciprocation can be implied.

For example, if someone kisses you, you can kiss them back (if you want to) without the need to explicitly obtain their consent to being kissed back.

Consent can also be withdrawn once given, as long as the withdrawal is reasonably and clearly communicated. If consent is withdrawn, that sexual activity should cease within a reasonable time.

Consent to some sexual contact (such as kissing or fondling) cannot be presumed to be consent for other sexual activity (such as intercourse). A current or previous intimate relationship is not sufficient to constitute consent.

Proof of consent or non-consent is not a burden placed on either party involved in an incident. Instead, the burden remains on the MCCCDC to determine whether its policy has been violated. The existence of consent is based on the totality of the circumstances evaluated from the perspective of a reasonable person in the same or similar circumstances, including the context in which the alleged incident occurred and any similar, previous patterns that may be evidenced.

Obtaining and giving consent is the most important part of protecting yourself against sexual violence. The following list are some examples of how to gain consent from and give consent to your intimate partners:

1. Clarifying or summarizing what the other person shared
2. Communicating your expectations and limits
3. Asking for permission, approval, or acceptance when seeking intimacy
4. Understanding why someone did or chose something

5. Expressing discomfort with acts of physical intimacy
6. Talking about sexual intimacy when sober
7. Confirming the feelings of the other person
8. Starting with small decisions
9. Sharing when you want to stop, slow down, or wait

Active Bystander

Bystanders play a critical role in the prevention of sexual and relationship violence. They are “individuals who observe violence or witness the conditions that perpetuate violence. They are not directly involved but have the choice to intervene, speak up, or do something about it.” We want to promote a culture of community accountability where bystanders are actively engaged in the prevention of violence without causing further harm. We may not always know what to do even if we want to help. Below is a list of some ways to be an active bystander. If you or someone else is in immediate danger, dial 911. This could be when a person is yelling at or being physically abusive towards another and it is not safe for you to interrupt.

1. Watch out for your friends and fellow students/employees. If you see someone who looks like they could be in trouble or need help, ask if they are ok.
2. Confront people who seclude, hit on, try to make out with, or have sex with people who are incapacitated.
3. Speak up when someone discusses plans to take sexual advantage of another person.
4. Believe someone who discloses sexual assault, abusive behavior, or experience with stalking.
5. Refer people to on or off campus resources listed in this document for support in health, counseling, or with legal assistance.

Risk Reduction

With no intent to victim blame and recognizing that only abusers are responsible for their abuse, the following are some strategies to reduce one’s risk of sexual assault or harassment (taken from Rape, Abuse, & Incest National Network, www.rainn.org)

1. **Be aware of your surroundings.** Knowing where you are and who is around you may help you find a way to get out of a bad situation.
2. Try to **avoid isolated areas.** It is more difficult to get help if no one is around.
3. **Walk with purpose.** Even if you don’t know where you are going, act like you do.
4. **Trust your instincts.** If a situation or location feels unsafe or uncomfortable, it probably is the best place to be.
5. **Try not to load yourself down** with packages or bags, as this can make you appear to be more vulnerable.
6. **Make sure your cell phone is with you** and charged and that you have cash money.
7. **Don’t allow yourself to be isolated** with someone you don’t trust or someone you don’t know.

8. **Avoid putting music headphones in both ears** so that you can be more aware of your surroundings, especially if you are walking alone.
9. **When you go to a social gathering, go with a group of friends.** Arrive together, check in with each other throughout the evening, and leave together. Knowing where you are and who is around you may help you to find a way out of a bad situation.
10. **Trust your instincts.** If you feel unsafe in any situation, go with your gut. If you see something suspicious, contact law enforcement immediately (local authorities can be reached by calling 911 in most areas of the U.S.).
11. **Don't leave your drink unattended** while talking, dancing, using the restroom, or making a phone call. If you've left your drink alone, just get a new one.
12. **Don't accept drinks from people you don't know or trust.** If you choose to accept a drink, go with the person to the bar to order it, watch it being poured, and carry it yourself. At parties, don't drink from the punch bowls or other large, common open containers.
13. **Watch out for your friends, and vice versa.** If a friend seems out of it, is way too intoxicated for the amount of alcohol they've had, or is acting out of character, get him/her to a safe place immediately.
14. **If you suspect you or a friend has been drugged, contact law enforcement immediately (local authorities can be reached by calling 911 in most areas of the U.S.).** Be explicit with doctors so they can give you the correct tests (you will need a urine test and possibly others).
15. **If you need to get out of an uncomfortable or scary situation** here are some things you can try:
 - a. Remember that being in this situation is not your fault. You did not do anything wrong; it is the person who is making you uncomfortable that is to blame.
 - b. Be true to yourself. Don't feel obligated to do anything you don't want to do. "I don't want to" is always a good enough reason. Do what feels right to you and what you are comfortable with.
 - c. Have a code word with your friends or family so that if you don't feel comfortable you can call them and communicate your discomfort without the person you are with knowing. Your friends or family can then come to get you or make up an excuse for you to leave.
 - d. Lie. If you don't want to hurt the person's feelings it is better to lie and make up a reason to leave than to stay and be uncomfortable, scared, or worse. Some excuses you could use are: needing to take care of a friend or family member, not feeling well, having somewhere else you need to be, etc.
16. **Try to think of an escape route.** How would you try to get out of the room? Where are the doors? Windows? Are there people around who might be able to help you? Is there an emergency phone nearby?
17. **If you and/or the other person have been drinking,** you can say that you would rather wait until you both have your full judgement before doing anything you may regret later.

Preventing Sex Discrimination and Harassment is a mandatory online training course. This course will foster a safe and productive work environment by training employees on what is considered sexual harassment, prevention training, and what to do if they see or experience sexual harassment. This course is required by Federal Law and will provide information on preventing sex harassment and the federal laws dealing with this topic. Current faculty, employees, and Persons of Interest (POI) must complete the course within the [Employee Learning Center](#). New employees will be required to complete the course within 30 days of start date.

Preventing Sexual Harassment and Sexual Violence course is now available to all students. Please check for your self-enrollment link in your Message Center within your Online Student Center via [My Maricopa](#)

Procedures Victims Should Follow if a Crime of Domestic Violence, Dating Violence, Sexual Assault and Stalking Occurs

After an incident of sexual assault, dating violence or domestic violence, the victim should consider seeking medical attention as soon as possible. In Arizona, evidence may be collected even if you chose not to make a report to law enforcement. It is important that a victim of sexual assault not bathe, douche, smoke, change clothing or clean the bed/linen/area where they were assaulted if the offense occurred within the past 96 hours so that evidence may be preserved that may assist in proving that the alleged criminal offense occurred/or is occurring or may be helpful in obtaining a protection order. In circumstances of sexual assault, if victims do not opt for forensic evidence collection, health care providers can still treat injuries and take steps to address concerns of pregnancy and/or sexually transmitted infections. Victims of sexual assault, domestic violence, stalking, and dating violence are encouraged to also preserve evidence by saving text messages, instant messages, social networking pages, other communications, and keeping pictures, logs or other copies of documents, if they have any, that would be useful to college adjudicators/investigators or police.

As time passes, evidence may dissipate or become lost or unavailable, thereby making investigation, possible prosecution, disciplinary proceedings, or obtaining protection from abuse orders related to the incident more difficult. If a victim chooses not to make a complaint regarding an incident, he or she nevertheless should consider speaking with District Police or other law enforcement to preserve evidence in the event that the victim decides to report the incident to law enforcement or the College at a later date to assist in proving that the alleged criminal offense occurred or that may be helpful in obtaining a protection order.

Reports of all domestic violence, dating violence, sexual assault and stalking made to District Police will automatically be referred to the Title IX Regional Directors for investigation regardless of if the complainant chooses to pursue criminal charges.

Procedures the College Will Follow When a Crime of Domestic Violence, Dating Violence, Sexual Assault and Stalking is Reported

The College has procedures in place that serve to be sensitive to victims who report sexual assault, domestic violence, dating violence, and stalking, including informing individuals about their right to file criminal charges as well as the availability of counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid and other services on and/or off campus as well as additional remedies to prevent contact between a complainant and an accused party, such as changes to housing, academic, protective orders, transportation and working situations, if reasonably available. The College will make such accommodations or protective measures, if the victim requests them and if they are reasonable available, regardless of whether the victim chooses to report the crime to the (District Police Department) or local law enforcement.

If a report of domestic violence, dating violence, sexual assault or stalking is reported to the College, below are the procedures that the College will follow:

Assistance for Victims: Rights & Options

Regardless of whether a victim elects to pursue a criminal complaint or whether the offense is alleged to have occurred on or off campus, the College will assist victims of sexual assault, domestic violence, dating violence, and stalking and will provide each victim with a written explanation of their rights and options. Such written information will include:

- the procedures victims should follow if a crime of dating violence, domestic violence, sexual assault or stalking has occurred;
- information about how the institution will protect the confidentiality of victims and other necessary parties;
- a statement that the institution will provide written notification to students and employees about victim services within the institution and in the community;
- a statement regarding the institution's provisions about options for, available assistance in, and how to request accommodations and protective measures; and
- an explanation of the procedures for institutional disciplinary action.

Rights of Victims and the Institution's Responsibilities for Orders of Protection, "No Contact" Orders, Restraining Orders, or Similar Lawful Orders Issued by a Criminal, Civil, or Tribal Court or by the Institution

MCCCD administration does not issue orders of protection or injunctions against harassment but may issue “no contact” orders through the Office of the Dean of Students. If a “no contact” order is deemed appropriate, it will be issued and the involved parties will be contacted. The stipulations may include, but are not limited to, no contact via phone calls, e-mails, voicemails, text messages, letters, cards, gifts, social networking messages or any other type of correspondence. This also includes both direct communication and indirect communication, i.e., you may not use other people or social networking sites as a means of communication. A “no contact” order is an administrative order. Violations of the “no contact” order are subject to the student disciplinary policy and procedures. You may contact the Office of the Dean of Students at your college to make the report of the violation. The report will be reviewed by the Dean’s Office and a determination made.

Any person who obtains an order of protection from Arizona should provide a copy to District Police and the Office of the Title IX Regional Director. A complainant may then meet with District Police to develop a Safety Action Plan, which is a plan for campus police and the victim to reduce risk of harm while on campus or coming and going from campus. This plan may include, but is not limited to: escorts, special parking arrangements, providing a temporary cellphone, changing classroom location or allowing a student to complete assignments from home, etc. The College cannot apply for a legal order of protection, no contact order or restraining order for a victim from the applicable jurisdiction(s).

Orders of Protection and Injunctions Against Harassment

Civil court orders are issued in an attempt to prevent continuing acts of violence or harassment. A person who is being victimized has the right to file a petition with a magistrate, justice of the peace, or superior court judge for an order of protection or injunction against harassment.

The relationship of the petitioner and the defendant, as defined in [\[A.R.S. § 13-3601\]](#), determines which order applies for orders issued within Maricopa County.

Protection Orders

Protection Orders are civil court orders prohibiting a specific person from contacting you such as coming near your home, work site, school, or other locations as listed on the order. Protection orders are based on the relationship you have with the party you are seeking protection from and must be issued by a judge and served by a police officer, deputy sheriff or process server. The protection order will be effective for 12 months from the service date unless voided by the court. Protection Orders can restrain a defendant from continuing acts of violence and harassment by prohibiting the individual from contacting or coming in contact with you. A protection order can also provide you with

legal recourse if the defendant violates the order. Protection Orders cannot resolve landlord/tenant disputes, change custody or visitation orders, or guarantee your safety.

Injunction Against Harassment

An Injunction Against Harassment does not depend upon relationships and is available if the conduct of any person is “Harassment” as defined by law [\[A.R.S. § 13-2921\]](#). In Arizona, harassment is a series of acts (at least two events) over any period of time that is directed at a specific person, and that would cause a reasonable person to be seriously alarmed, annoyed or harassed and the conduct, in fact, seriously alarms, annoys, or harasses the person and serves no legitimate purpose.

Applying for an Order of Protection or Injunction Against Harassment

To apply for an order in Maricopa County, the courts developed the Arizona Protective Order Initiation and Notification Tool <https://azpoint.azcourts.gov/> Through an interview in this portal, you can quickly fill out the forms that you need to ask for an Order of Protection at an Arizona court.

You will need to provide information on what acts of violence or threatening conduct occurred leading you to apply for protection, and addresses to which you do not want the defendant to come. In conjunction, you need to provide the names and relationships of other persons for whom you may request protection, whether the defendant has access to or possesses firearms, the nature of your relationship to the defendant, and whether there are any courts involved in the relationship (divorce, child custody, etc.).

To complete the process for an Order of Protection, you must file your petition with an Arizona court. You will then appear before a Justice of the Peace who will hear your sworn testimony and review evidence. The Justice will decide whether your order will be issued immediately or whether a hearing will be set. There are no fees associated with applying for any of these protection orders at the time of publication of this document.

Once issued by the Justice Court, the order or injunction will be in effect when a private process server, a law enforcement officer, or a constable serves it to the defendant. It remains in effect for one year from the date it is served. If the defendant violates the order or injunction, contact local law enforcement immediately. If you are in physical danger, call 911. Victims are reminded to remain cautious and have a personal safety plan.

Emergency Orders of Protection for Domestic Violence or Dating Violence

If the court has closed for business, an Emergency Order of Protection can be granted by a judicial officer in writing, verbally, or telephonically to protect a person who is in imminent danger of domestic or dating violence. Emergency Orders of Protection are obtained through local law enforcement agencies. If you need an emergency order of protection

and are in immediate danger, call 911.

The local law enforcement agency will dispatch an officer to review your situation. If appropriate, the officer will contact the court after hours to request the court grant an Emergency Order. If the order is granted, it will be temporarily valid until the close of the next day of court business following the day the Emergency Order was issued. You will need to go to court the very next business day to complete and file a petition for a permanent order of protection.

Enforcement of Orders

Any person on MCCCCD property who has obtained an order of protection or injunction against harassment may contact their college or local police department for enforcement.

Justice Court Locations

If you need to determine which court serves your area, enter an address on the [Maricopa County Interactive Elections Map](#). This will give you a list of all the government bodies that serve your location.

All courts are open from 8:00am to 5:00pm Monday through Friday, excluding holidays.

Accommodations and Protective Measures Available for Victims

Upon receipt of a report of domestic violence, dating violence, sexual assault or stalking, SCC will provide written notification to students and employees about accommodations available to them, including academic, transportation, protective orders and working situations. The written notification will include information regarding the accommodation options, available assistance in requesting accommodations, and how to request accommodations and protective measures (i.e., the notification will include the name and contact information for the individual or office that should be contacted to request the accommodations).

At the victim's request, and to the extent of the victim's cooperation and consent, college offices will work cooperatively to assist the victim in obtaining accommodations. If reasonably available, a victim may be offered changes to academic, working, protective measures or transportation situations regardless of whether the victim chooses to report the crime to campus police or local law enforcement. Examples of options for a potential change to the academic situation may be to transfer to a different section of a class, withdraw and take a class at another time if there is no option for moving to a different section, etc. Possible changes to work situations may include changing working hours. Possible changes in transportation may include having the student or employee park in a different location, assisting the student or employee with a safety escort, etc.

To request changes to academic, transportation and/or working situations or protective measures, a victim should contact the [Title IX Regional Director](#). If the victim wishes to receive assistance in requesting these accommodations, she or he should contact their respective college Dean of Students.

On and Off Campus Services for Victims

Upon receipt of a report of domestic violence, dating violence, sexual assault or stalking, SCC will provide written notification to students and employees about existing assistance with and/or information about obtaining resources and services including counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid and assistance in notifying appropriate local law enforcement.

Confidentiality

Victims may request that directory information on file with the College be withheld by request with the [Registrar's Office](#).

Regardless of whether a victim has opted-out of allowing the College to share “directory information,” personally identifiable information about the victim and other necessary parties will be treated as confidential and only shared with persons who have a specific need-to-know, i.e., those who are investigating/adjudicating the report or those involved in providing support services to the victim, including accommodations and protective measures. By only sharing personally identifiable information with individuals on a need-to-know basis, the institution will maintain as confidential, any accommodations or protective measures provided to the victim to the extent that maintaining such confidentiality would not impair the ability of the institution to provide the accommodations or protective measures.

The College does not publish the name of crime victims or other identifiable information regarding victims in the Daily Crime Log or in the annual crime statistics that are disclosed in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. Furthermore, if a Timely Warning Notice is issued on the basis of a report of domestic violence, dating violence, sexual assault or stalking, the name of the victim and other personally identifiable information about the victim will be withheld.

Adjudication of Violations

The College's disciplinary process includes a prompt, fair, and impartial investigation and resolution process. In all instances, the process will be conducted in a manner that is consistent with the institution's policy and that is transparent to the accuser and the accused. Usually, the resolution of domestic violence, dating violence, sexual assault and stalking complaints are completed within the timeframe specified in each policy the institution maintains. However, each procedure allows for extensions of timeframes for good cause with written notice to the accuser and the accused of the delay and the reason for the delay. College officials involved in the investigation or adjudication of domestic violence, dating violence, sexual assault and stalking complaints are trained annually on the issues related to domestic violence, dating violence, sexual assault, and stalking as well as how to conduct an investigation and hearing process that protects the safety of the victim and promotes accountability. Furthermore, each policy provides that:

1. The accuser and the accused will have timely notice for meetings at which the accuser or accused, or both, may be present;
2. The accuser, the accused and appropriate officials will have timely and equal access to any information that will be used during formal and informal disciplinary meetings and hearings;
3. The institutional disciplinary procedures will not be conducted by officials who have a conflict of interest or bias for or against the accuser or the accused;
4. The accuser and the accused will have the same opportunities to have others present during any institutional disciplinary proceeding. The accuser and the accused each have the opportunity to be advised by an advisor of their choice at any stage of the process and to be accompanied by that advisor to any related meeting or proceeding. The college will not limit the choice of advisor or presence for either the accuser or the accused in any meeting or institutional disciplinary proceeding. A Title IX Advisor accompanies a party to a Title IX case to meetings related to the resolution process, advises the party on that process, and conducts cross-examination for the party at the hearing, if one is held.
5. The accuser and the accused will be notified simultaneously, in writing, of the initial, interim and final decision of any disciplinary proceeding; and
6. Where an appeal is permitted under the applicable policy, the accuser and the accused will be notified simultaneously in writing, of the procedures for the accused and the victim to appeal the result of the institutional disciplinary proceeding. When an appeal is filed, the accuser and the accused will be notified simultaneously in writing of any change to the result prior to the time that it becomes final as well as of the final result once the appeal is resolved.

Whether or not criminal charges are filed, the College or a person may file a complaint under the following policies, depending upon the status of the accused (student or employee):

5.1.17 Prohibited Sex Discrimination and Sex-Based Harassment

This resolution process, consisting of informal resolution or administrative resolution, is MCCCDC's chosen approach to addressing sex discrimination, sex-based harassment, retaliation, and other prohibited conduct under the regulation. The process considers the parties' preferences but is ultimately determined at the TIXC's discretion.

Resolution proceedings are confidential. All persons present at any time during the Resolution Process are expected to maintain the confidentiality of the proceedings in accordance with Regulation.

A. Informal Resolution

To initiate informal resolution, a complainant or respondent may make such a request to the TIXC at any time prior to a final determination, or the TIXC may offer the option to the parties, in writing. MCCCDC will obtain voluntary, written confirmation that all parties wish to resolve the matter through informal resolution before proceeding and will not pressure the parties to participate in informal resolution. Informal resolution is offered at the discretion of the TIXC and is not available in cases where an employee has been alleged to have committed sex discrimination or sex-based harassment of an elementary school or secondary school student or if such a process would conflict with federal, state, or local law.

The TIXC or member of the resolution process pool, as selected by the TIXC, will facilitate the informal resolution. The facilitator for the informal resolution process must not be the same person as the investigator or the decisionmaker in MCCCDC's resolution process.

If an informal resolution option is not available or selected, MCCCDC will initiate or continue an investigation and subsequent resolution process to determine whether the Regulation has been violated. It is not necessary to pursue informal resolution first in order to pursue an administrative resolution process. Any party participating in informal resolution can withdraw from the informal resolution process at any time and initiate or resume the administrative resolution process. If an investigation is already underway, the TIXC has discretion to determine if an investigation will be paused, if it will be limited, or if it will continue during the informal resolution process.

The parties may agree, as a condition of engaging in informal resolution, on what statements made or evidence shared during the informal resolution process will not be considered in the administrative resolution process, should informal resolution not be successful, unless agreed to by all parties.

Before initiation of an informal resolution process, MCCCDC will provide the parties with a written Notice of Investigations and Allegations (the "NIOA"). NOIA that explains:

- The allegations of the Complaint
- The requirements of the informal resolution process.
- That, prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and to initiate or resume the MCCCDC's

resolution process.

- That the parties' agreement to a resolution at the conclusion of the informal resolution process will preclude the parties from initiating or resuming the resolution process arising from the same allegations.
- The potential terms that may be requested or offered in an informal resolution agreement, including notification that an informal resolution agreement is binding only on the parties.
- What information MCCCCD will maintain, and whether and how it could disclose such information for use in its resolution process.

MCCCCD offers four categories of informal resolution:

- 1) **Supportive Resolution.** When the TIXC can resolve the matter informally by providing supportive measures (only) designed to remedy the situation. The TIXC will meet with the Complainant to determine reasonable supportive measures that are designed to restore or preserve the Complainant's access to MCCCCD's education program and activity. Such measures can be modified as the Complainant's needs evolve over time or circumstances change. If the respondent has received the NOIA, the TIXC may also provide reasonable supportive measures for the respondent as deemed appropriate. This option is available when the complainant does not want to engage the other resolution options, and the TIXC does not initiate a complaint.
- 2) **Educational Conversation.** When the TIXC can resolve the matter informally by having a conversation with the respondent to discuss the complainant's concerns and institutional expectations or can accompany the complainant in their desire to confront the conduct. The complainant(s) may request that the TIXC address their allegations by meeting (with or without the complainant) with the respondent(s) to discuss concerning behavior and institutional policies and expectations. Such a conversation is non-disciplinary and non-punitive. Respondent(s) are not required to attend such meetings, nor are they compelled to provide any information if they attend. The conversation will be documented as the informal resolution for the matter, if it takes place. In light of this conversation, or the respondent's decision not to attend, the TIXC may also implement remedial actions to ensure that regulations and expectations are clear and to minimize the risk of the recurrence of any behaviors that may not align with Regulation.
- 3) **Accepted Responsibility.** The Respondent may accept responsibility for any or all of the alleged Regulation violations at any point during the resolution process. If the Respondent indicates an intent to accept responsibility for all alleged violations, the ongoing process will be paused, and the TIXC will determine whether informal resolution is an option. If informal resolution is available, the TIXC will determine whether all parties and the recipient are able to agree on responsibility, restrictions, sanctions, restorative measures, and/or remedies. If so, the TIXC implements the accepted finding that the respondent is in violation of the Regulation, implements agreed-upon restrictions and remedies, and determines the appropriate responses in coordination with other appropriate administrator(s),

as necessary.

This resolution is not subject to appeal once all parties indicate their written agreement to all resolution terms. When the parties cannot agree on all terms of resolution, the resolution process will either continue or resume. When a resolution is reached, the appropriate sanction(s) or responsive actions are promptly implemented to effectively stop the discrimination or harassment, prevent its recurrence, and remedy the effects of the discriminatory conduct, both on the complainant and the community.

- 4) **Alternative Resolution.** When the parties agree to resolve the matter through an alternative resolution mechanism.

MCCCD offers a variety of alternative resolution mechanisms to best meet the specific needs of the parties and the nature of the allegations. Alternative resolution may involve agreement to pursue individual or community remedies, including targeted or broad-based educational programming or training; supported direct conversation or interaction with the respondent(s); indirect action by the TIXC or other appropriate MCCCD officials; and other forms of resolution that can be tailored to the needs of the parties. Some alternative resolution mechanisms will result in an agreed-upon outcome, while others are resolved through dialogue. All parties must consent to the use of an alternative resolution approach, and the parties may, but are not required to, have direct or indirect contact during an alternative resolution process.

The TIXC may consider the following factors to assess whether alternative resolution is appropriate, or which form of alternative resolution may be most successful for the parties:

- The parties' amenability to alternative resolution
- Likelihood of potential resolution, considering any power dynamics between the parties
- The nature and severity of the alleged misconduct
- The parties' motivation to participate
- Civility of the parties
- Results of a violence risk assessment/ongoing risk analysis
- Respondent's disciplinary history
- Whether an emergency removal or other interim action is needed
- Skill of the facilitator with this type of complaint
- Complaint complexity
- Emotional investment/capability of the parties
- Rationality of the parties
- Goals of the parties
- Adequate resources to invest in alternative resolution (e.g., time, staff)

The TIXC has the authority to determine whether alternative resolution is available or successful, to facilitate a resolution that is acceptable to all parties, and/or to accept the parties' proposed resolution, usually through their advisors, often including terms of confidentiality, release, and non-disparagement.

Parties do not have the authority to stipulate restrictions or obligations for individuals or groups that are not involved in the alternative resolution process. The TIXC will determine whether additional individual or community remedies are necessary to meet the institution's compliance obligations in addition to the alternative resolution.

The TIXC maintains records of any resolution that is reached and will provide notification to the parties of what information is maintained. Failure to abide by the resolution agreement may result in appropriate responsive/disciplinary actions (e.g., dissolution of the agreement and resumption of the resolution process, referral to the conduct process for failure to comply, application of the enforcement terms of the agreement). The results of complaints resolved by alternative resolution are not appealable.

B. Administrative Resolution (Investigation)

1. Resolution Timeline

MCCCD will make a good faith effort to complete the Resolution Process within a sixty to ninety (60-90) business days, including any appeals, which can be extended as necessary for appropriate cause by the TIXC, who will provide notice and rationale for any extensions or delays to the parties as appropriate, as well as an estimate of how much additional time will be needed to complete the process. MCCCD may undertake a short delay in its investigation if the following circumstances require: a request from law enforcement to temporarily delay the investigation, the need for language assistance, the absence of parties and/or witnesses, and/or accommodations for disabilities or health conditions, or such circumstances as determined by the TIXC in their sole discretion.

MCCCD will communicate in writing the anticipated duration of the delay and reason to the parties and provide the parties with status updates if necessary. MCCCD will promptly resume its investigation and resolution process as soon as feasible. During such a delay, MCCCD will implement and maintain supportive measures for the parties, as deemed appropriate.

If a party or witness chooses not to participate in the resolution process or becomes unresponsive, MCCCD reserves the right to continue the resolution process without their participation to ensure a prompt resolution. Non-participatory or unresponsive parties retain the rights outlined in the Regulation and the opportunity to participate in the resolution process.

MCCCD's action(s) are not typically altered or precluded on the grounds that civil or

criminal charges involving the underlying incident(s) have been filed or that criminal charges have been dismissed or reduced.

2. Ensuring Impartiality

Any individual materially involved in the administration of the Resolution Process, including the TIXC, investigator(s), and decision-maker(s), may neither have nor demonstrate a conflict of interest or bias for a party generally, or for a specific complainant or respondent. The TIXC will vet the assigned investigator(s), decision-maker(s), and appeal decision-makers for impartiality by ensuring there are no actual or apparent conflicts of interest or disqualifying biases. The parties may, at any time during the resolution process, raise a concern regarding bias or conflict of interest, and the TIXC will determine whether the concern is reasonable and supportable. If so, another pool member will be assigned, and the impact of the bias or conflict, if any, will be remedied. The TIXC's decision on allegations of bias or conflict of interest is final. If the source of the conflict of interest or bias is the TIXC, concerns should be raised with a different TIXC.

The resolution process involves an objective evaluation of all relevant inculpatory and exculpatory and not otherwise impermissible evidence, including evidence that supports that the respondent did or did not engage in a violation. A respondent is presumed not to be responsible for the reported misconduct unless and until the respondent is determined to be responsible by the applicable preponderance of the evidence standard. Credibility determinations may not be based solely on an individual's status or participation as a Complainant, Respondent, or witness. All parties have a full and fair opportunity, through the investigation process, to suggest witnesses and questions, to provide evidence, and to receive a written investigation report that accurately summarizes this evidence.

3. Notice of Investigation and Allegations

Prior to an investigation, the TIXC will provide the parties with a detailed NOIA. Amendments and updates to the NOIA may be made as the investigation progresses and more information becomes available regarding the addition or dismissal of various charges. For climate/culture investigations that do not have an identifiable respondent, the NOIA will be sent to the department/office/program head for the area/program being investigated.

The NOIA will include:

- A meaningful summary of all of allegations,
- The identity of the involved parties (if known),
- The precise misconduct being alleged,
- The date and location of the alleged incident(s) (if known),
- The specific policies/offenses implicated,
- A description of, link to, or copy of the applicable procedures
- A statement that the parties are entitled to an equal opportunity to access the relevant and not otherwise impermissible evidence

- The name(s) of the Investigator(s), along with a process to notify the TIXC, in advance of the interview process, any conflict of interest that the Investigator(s) may have,
- A statement that MCCCCD presumes the Respondent is not responsible for the reported misconduct unless and until the evidence supports a different determination,
- A statement that determinations of responsibility are made at the conclusion of the process and that the Parties will be given an opportunity to inspect and review all relevant evidence obtained during the review and comment period,
- A statement regarding MCCCCD's Regulation on retaliation,
- Statement that Parties may have an Advisor of their choosing who may accompany them through all steps of the Resolution Process and suggestions for ways to identify an Advisor,
- Information about the confidentiality of the process, including that the Parties and their Advisors (if applicable) may not share MCCCCD work product obtained through the Resolution Process
- A statement informing the parties that the MCCCCD's AR prohibits knowingly making false statements, including knowingly submitting false information during the resolution process,
- Detail on how the party may request disability accommodations during the interview process,
- A link to VAWA brochure
- An instruction to preserve any evidence that is directly related to the allegations.
- A statement of the potential sanctions/responsive actions that could result
- A suggested date and time for an initial meeting (proper time will be given to allow for the selection of an Advisor)

Notice will be made in writing and will be sent via electronic mail to the parties' MCCCCD-issued email or designated accounts as indicated in official MCCCCD records. Notice is presumed to have been given upon emailing the NOIA to the Parties.

4. Appointment of Investigators

Once the decision to commence an investigation is made, the TIXC will appoint a team of two (2) investigators to investigate the allegations. Appointment of investigators typically occurs within three (3) business days of determining that an investigation should proceed.

5. The Investigation Process

All investigations should be thorough, reliable, impartial, prompt, and fair. Investigations involve interviews with all relevant parties and witnesses; obtaining available, relevant evidence; and identifying sources of expert information, as necessary. Either party may

submit a written statement to the TIXC outlining their position on the allegations.

MCCCD may consolidate complaints against more than one respondent, or by more than one complainant against one or more respondents, when the allegations arise from the same facts or circumstances or implicate a pattern, collusion, and/or other shared or similar actions.

The investigator(s) typically take(s) the following steps, if not already completed and not necessarily in this order:

- Determine the identity and contact information of the complainant.
- Identify all offenses implicated by the alleged misconduct and notify the complainant and respondent of all specific policies implicated.
- Assist the TIXC, if needed, with conducting a prompt initial evaluation to determine if the allegations indicate a potential regulation violation.
- Work with the TIXC, as necessary, to prepare the initial NOIA. The NOIA may be amended with any additional or dismissed allegations.
- Commence a thorough, reliable, and impartial investigation by identifying issues and developing a strategic investigation plan, including a witness list, evidence list, intended investigation timeframe, and order of interviews for the parties and witnesses.
- When participation of a party is expected, provide that party with written notification of the date, time, and location of the meeting, as well as the expected participants and purpose.
- Make good faith efforts to notify each party of any meeting or interview involving another party, in advance when possible.
- Interview the complainant and the respondent and conduct any necessary follow-up interviews with each.
- Interview all available, relevant witnesses and conduct follow-up interviews as necessary.
- Provide each interviewed party and witness an opportunity to review and verify the investigator's summary notes (or transcript or recording) of the relevant evidence/testimony from their respective interviews and meetings.
- Allow each party the opportunity to suggest witnesses and questions they wish the investigator(s) to ask of another party and/or witnesses. Document which questions were asked with a rationale for any changes or omissions in the investigation report.
- Where possible, complete the investigation promptly and without unreasonable deviation from the intended timeline.
- Provide the parties with regular status updates throughout the investigation.
- Prior to the conclusion of the investigation, provide the parties and their respective advisors with a list of witnesses whose information will be used to render a finding.
- Ask the parties to provide a list of questions they would like asked of the other party or any witnesses. The investigator will ask those questions deemed relevant, and for any question deemed not relevant, will provide a rationale for not asking the question.

- Write a draft investigation report that gathers, assesses, and synthesizes the evidence, accurately summarizes the investigation and party and witness interviews, and provides all relevant evidence.
- Provide the parties and their respective advisors an electronic copy of the draft investigation report as well as an opportunity to inspect and review all relevant evidence obtained as part of the investigation for a review and comment period of ten (10) business days so that each party may meaningfully respond to the evidence. The parties may elect to waive all or part of the review period.
- The investigator may share the investigation report with the TIXC and/or legal counsel for their review and feedback.

After an interview, parties and witnesses will be asked to verify the accuracy of the recording, transcript, or summary of their interview. They may submit changes, edits, or clarifications. If the parties or witnesses do not respond within the time period designated for verification, objections to the accuracy of the recording, transcript, or summary will be deemed to have been waived, and no changes will be permitted.

6. Role and Participation of Witnesses in the Investigation

Witnesses (as distinguished from the parties) who are employees or students of MCCCDC are required to cooperate with and participate in MCCCDC's investigation and Resolution Process. Failure of such witnesses to cooperate with and/or participate in the investigation or resolution process constitutes a violation of the Regulation and Procedure and may warrant discipline. Student witnesses and witnesses from outside the MCCCDC community cannot be required to participate but are encouraged to cooperate with MCCCDC investigations and to share what they know about a complaint.

While in-person interviews for parties and all potential witnesses are ideal, circumstances (e.g., study abroad, summer break) may require individuals to be interviewed remotely. Skype, Zoom, FaceTime, WebEx, or similar technologies may be used for interviews if the Investigator(s) determine that timeliness or efficiency dictate a need for remote interviewing. MCCCDC will take appropriate steps to reasonably ensure the security/privacy of remote interviews.

Parties and witnesses may also provide written statements or respond to written questions in addition to being interviewed.

7. Recording of Interviews

No unauthorized audio or video recording of any kind is permitted during investigation meetings.

8. Evidentiary Considerations in the Investigation

The investigator(s) and the decision-maker(s) will only consider evidence that is deemed

relevant and not otherwise impermissible. Relevant evidence is that which may aid in determining whether the allegation occurred, or whether the behavior constitutes a violation of the regulation.

The investigation does not consider:

- incidents not directly related to the possible violation, unless they evidence a pattern;
- the character of the parties; or
- questions and evidence about the Complainant's sexual predisposition or prior sexual behavior, unless such questions and evidence about the Complainant's prior sexual behavior are offered to prove that someone other than the Respondent committed the conduct alleged by the Complainant, or if the questions and evidence concern specific incidents of the Complainant's prior sexual behavior with respect to the Respondent and are offered to prove consent.

5. Respondent Admits Responsibility

At any point in the proceedings, if a respondent elects to admit to the charged violations and waive further process, the decision-maker is authorized to accept that admission, adopt it as their finding/final determination, and administer sanctions. This would waive the respondent's right to appeal. If the respondent rejects the finding/final determination/sanctions, or does not admit to all conduct charged, the resolution process continues to its conclusion. The complainant retains their right to appeal a determination when a respondent admits responsibility.

C. Hearing Resolution Process

1. Referral for Hearing

The TIXC will refer the matter for a hearing, once the final investigative report is shared with the parties.

The hearing cannot be less than ten (10) business days from the conclusion of the investigation, when the final investigation report is made available to the Parties and the Decision-maker for review and comment, unless all parties, and the Decision-maker agrees to an expedited timeline. This agreement must be in writing.

2. Hearing Decision-maker Composition

The TIXC will select a Decision-maker. The MCCCCD will designate a single decision-maker. The single Decision-maker will also be the Chair of the hearing. The Decision-maker will not have had any previous involvement with the investigation. The Decision-maker is an out-sourced position. The Decision-maker will not be an MCCCCD employee.

3. Evidentiary Considerations in the Hearing

Any evidence that the Decision-maker determines is relevant and credible may be considered. The hearing does not consider:

- incidents not directly related to the possible violation, unless they evidence a pattern;
- the character of the parties; or
- questions and evidence about the Complainant's sexual predisposition or prior sexual behavior, unless such questions and evidence about the Complainant's prior sexual behavior are offered to prove that someone other than the Respondent committed the conduct alleged by the Complainant, or if the questions and evidence concern specific incidents of the Complainant's prior sexual behavior with respect to the Respondent and are offered to prove consent.

Previous disciplinary action of any kind involving the Respondent may be considered in determining an appropriate sanction upon a determination of responsibility. This information is only considered at the sanction stage of the process.

The parties, if they so choose, may submit a written impact statement prior to the hearing for the consideration of the Decision-maker at the sanction stage of the process when a determination of responsibility is reached.

After post-hearing deliberation, the Decision-maker renders a determination based on the preponderance of the evidence--whether it is more likely than not that the Respondent violated the Regulation as alleged.

4. Notice of Hearing

No less than ten (10) business days prior to the hearing, the TIXC will send notice of the hearing to the parties via email to the individual MCCCD-issued email address. Once emailed, notice will be presumptively delivered.

The notice will contain:

- A description of the alleged violation(s), a list of all policies allegedly violated, a description of the applicable procedures, and a statement of the potential sanctions/responsive actions that could result.
- The time, date, and location of the hearing and a reminder that attendance is mandatory, superseding all other campus activities. Thoroughness and fairness are the priorities of any Title IX hearing process. Hearings are generally scheduled for two (2) hours, but can be extended, as needed at the discretion of the Decision-maker, to ensure that both parties are able to present the information relevant to their position. (e.g., complicated fact pattern, numerous witnesses, etc.).
- Any technology that will be used to facilitate the hearing.
- A list of all those who will attend the hearing, along with an invitation to object to the Decision-maker on the basis of demonstrated bias. This must be raised with

the TIXC at least two (2) business days prior to the hearing.

- Information on how the hearing will be recorded and on access to the recording for the parties after the hearing.
- A statement that if any party or witness does not appear at the scheduled hearing, the hearing may be held in their absence. For compelling reasons, the Decision-maker may reschedule the hearing.
- Notification that the parties may have the assistance of an Advisor of their choosing at the hearing and will be required to have one present for any questions they may desire to ask. The party must notify the TIXC if they do not have an Advisor, and the MCCCCD will appoint one. Each party must have an Advisor present. There are no exceptions.
- An invitation to each party to submit to the Decision-maker an impact statement. Pre-hearing that the Decision-maker will review during any sanction determination.
- An invitation to contact the TIXC to arrange any disability accommodations, language assistance, and/or interpretation services that may be needed at the hearing, at least seven (7) business days prior to the hearing.
- Direction that the parties may not bring mobile phones/devices into the hearing.

Hearings for possible violations that occur near or after the end of an academic term (assuming the Respondent is still subject to the Regulation) and are unable to be resolved prior to the end of term will typically be held immediately after the end of the term or during the summer, as needed, to meet the resolution timeline followed by the MCCCCD and remain within the 60-90 business day goal for resolution.

In these cases, if the Respondent is a graduating student, a hold may be placed on graduation and/or official transcripts until the matter is fully resolved (including any appeal). A student facing charges under the Regulation is not in good standing to graduate.

5. Virtual Hearings

All hearings will occur virtually by use of technology, specifically WebEx or Zoom technology. Each party will be located in a separate room from the Decision-maker, but will be able to see and hear each other. Witnesses will testify in the same room as the Decision-maker, but not the room where the parties and their Advisors sit. The TIXC will arrange to use technology to allow remote testimony without compromising the fairness of the hearing.

6. Pre-Hearing Preparation

The Decision-maker, or designee, after any necessary consultation with the parties, Investigator(s) and/or TIXC, will provide the names of persons who will be participating in the hearing, all pertinent documentary evidence, and the final investigation report to the parties at least ten (10) business days prior to the hearing. During the ten (10) business day period prior to the hearing, the parties have the opportunity to review and comment on the final investigation report and available evidence.

The Decision-maker, or designee will also provide the parties a copy of the pre-hearing preparation checklist/document. A copy of the pre-hearing preparation checklist may be found on the MCCC's Title IX webpage: <https://district.maricopa.edu/consumer-information/title-ix>

7. Hearing Procedures

At the hearing, the Decision-maker has the authority to hear and make determinations on all allegations of sex discrimination, sex-based harassment, retaliation, and Other Prohibited Conduct under the Regulation and may also hear and make determinations on any additional alleged violations that have occurred in concert with the discrimination, harassment, and/or retaliation, even though those collateral allegations which may not specifically fall within the Regulation.

Participants at the hearing will include the Decision-maker, the hearing facilitator, the Investigator(s) who conducted the investigation, the parties, Advisors to the parties, any called witnesses, the TIXC and anyone providing authorized accommodations or assistive services.

The Decision-maker will answer all questions of procedure. Anyone appearing at the hearing to provide information will respond to questions on their own behalf.

The Decision-maker will facilitate questioning of the Parties and witnesses first by the Decision-maker and then by the Parties through the Decision-maker.

The Decision-maker will allow witnesses who have relevant information to appear at a portion of the hearing in order to respond to specific questions from the Decision-maker and the parties and will then be excused from attendance.

8. Joint Hearings

In hearings involving more than one Respondent or in which two (2) or more Complainants have accused the same individual of substantially similar conduct, the parties may agree to hear the allegations jointly. All parties must agree to a joint hearing. If one party does not agree, the default will be to hold the hearings separately.

In joint hearings, separate determinations of responsibility will be made for each Respondent with respect to each alleged Regulation violation.

9. Refusal to Submit to Cross-Examination and Inferences

The Decision-maker may not draw any inference solely from a party's or witness's absence from the hearing or refusal to answer cross-examination or other questions.

If charges of violations other than those under the Regulation are considered at the same hearing, the Decision-maker may consider all evidence it deems relevant.

If a party's Advisor of choice refuses to comply with MCCCCD's established rules of decorum for the hearing, MCCCCD may require the party to use a different Advisor. If a MCCCCD-provided Advisor refuses to comply with the rules of decorum, the TIXC may provide that party with a different Advisor to conduct cross-examination on behalf of that party.

10. Recording Hearings

Hearings (not deliberations or meetings) are recorded by MCCCCD for purposes of review in the event of an appeal. The parties may not record the proceedings and no other unauthorized recordings are permitted.

The Decision-maker, the parties, their Advisors, and appropriate administrators of MCCCCD will be permitted to listen to the recording in a controlled environment determined by the TIXC. No person will be given a copy or be allowed to make a copy of the recording.

11. Deliberation, Decision-making, and Standard of Proof

The Decision-maker will deliberate alone to determine, by a preponderance of the evidence, whether the Respondent is responsible or not responsible for the Regulation violation(s) in question. The deliberation period is not to exceed five (5) business days. The Decision-maker may consider the previously submitted party impact statements in determining appropriate sanction(s), when there is a finding of responsibility as to one or more of the allegations.

The Decision-maker will ensure that each of the parties has an opportunity to review any impact statement submitted by the other party(ies). The Decision-maker may--at their discretion--consider the statements, but they are not binding.

The Decision-maker will then prepare a written deliberation statement and deliver it to the TIXC, detailing the determination, rationale, the evidence used in support of its determination, the evidence disregarded, credibility assessments, and any sanctions. This report typically should not exceed three (3) to five (5) pages in length and must be submitted electronically to the TIXC within two (2) business days of the end of deliberations, unless the TIXC grants an extension. If an extension is granted, the TIXC will notify the parties in writing of the extension.

12. Sanctions

Factors the decision-maker may consider when determining sanctions and responsive

action may include, but are not limited to:

- The nature, severity of, and circumstances surrounding the violation(s)
- The Respondent's disciplinary history
- Previous allegations or allegations involving similar conduct
- The need for sanctions/responsive actions to bring an end to the sex discrimination, sex-based harassment, and/or retaliation
- The need for sanctions/responsive actions to prevent the future recurrence of the sex discrimination, sex-based harassment, and/or retaliation
- The need to remedy the effects of the sex discrimination, sex-based harassment, and/or retaliation on the Complainant and the community
- The impact on the parties
- The respondent's acceptance of responsibility
- Any other information deemed relevant by the Decision-maker

The sanctions will be implemented as soon as is feasible once a determination is final, either upon the outcome of any appeal or the expiration of the window to appeal, without an appeal being requested.

The sanctions described in this Procedure are not exclusive of, and may be in addition to, other actions taken or sanctions imposed by external authorities.

A. Student Sanctions

The following are the usual sanctions that may be imposed upon students or organizations singly or in combination:

1. **Warning:** A formal statement that the conduct was unacceptable and a warning that further violation of any MCCCCD AR, procedure, or directive will result in more severe sanctions/responsive actions.
2. **Required Counseling:** A mandate to meet with and engage in external counseling to better comprehend the misconduct and its effects.
3. **Restrictions:** A student may be restricted in their activities, including, but not limited to, being restricted from locations, programs, participation in certain activities or extracurriculars, study abroad, or holding leadership roles in student organizations.
4. **Probation:** An official sanction for violation of Regulation, providing for more severe disciplinary sanctions in the event that the student is found in violation of any policy, regulation, procedure, or directive within a specified period of time. Terms of the probation will be articulated and may include denial of specified social privileges, exclusion from co-curricular activities, exclusion from designated areas of campus, no-contact orders, and/or other measures deemed appropriate.
5. **Suspension:** Separation of student status from a college, or one or more of its facilities for a definite period of time not to exceed two years and/or until specific return criteria are met. Eligibility to return may be contingent upon satisfaction of

specific conditions noted at the time of suspension, on successfully applying for readmission, or upon a general condition that the student is eligible to return if the institution determines it is appropriate to re-enroll/readmit the student. The student is typically required to vacate institutional property within 24 hours of notification of the action, though this deadline may be extended at the discretion of the TIXC or another appropriate official. During an institution-wide suspension, the student is banned from all district property, functions, events, and activities unless they receive prior written approval from an appropriate institutional official. This sanction may be enforced with a trespass action, as necessary. This sanction may be noted as a Disciplinary Suspension on the student's official academic transcript, per institutional AR and/or state law. Students who return from suspension are automatically placed on probation through the remainder of their tenure as a student at MCCCDC.

6. **Expulsion:** Permanent separation of student status and revocation of rights to be on any MCCCDC campus for any reason or to attend MCCCDC-sponsored events. This action may be enforced with a trespass action, as necessary. This sanction may be noted as Disciplinary Expulsion on the student's official academic transcript, per policies, regulations and/or state law.
7. **Withholding Diploma:** MCCCDC may withhold a student's diploma for a specified period of time and/or deny a student participation in commencement activities if the student has an allegation pending or as a sanction if the student is found responsible for an alleged violation.
8. **Revocation of Degree:** MCCCDC reserves the right to revoke a degree previously awarded from MCCCDC for fraud, misrepresentation, and/or other violation of MCCCDC policies, procedures, or directives in obtaining the degree, or for other serious violations committed by a student prior to graduation.
9. **Organizational Sanctions:** Deactivation, loss of recognition, loss of some or all privileges (including MCCCDC registration) for a specified period of time.
10. **Other Actions:** In addition to or in place of the above sanctions, MCCCDC may assign any other sanctions as deemed appropriate.

B. Employee Sanctions

Responsive actions for an employee who has engaged in sex discrimination, sex-based harassment and/or retaliation include:

- Warning – Verbal or Written
- Performance Improvement Plan/Management Process
- Required Counseling
- Required Training or Education
- Probation
- Loss of Annual Pay Increase
- Loss of Oversight or Supervisory Responsibility

- Denial of pay increase/pay grade
- Transfer
- Shift or schedule adjustments
- Reassignment
- Demotion
- Assignment to a new supervisor
- Restriction of stipends, research, and/or professional development resources
- Suspension/administrative leave with pay
- Suspension/administrative leave without pay
- Termination
- Other Actions: In addition to or in place of the above sanctions, MCCCCD may assign any other sanctions as deemed appropriate.

13. Notice of Outcome

The TIXC will prepare a notice of outcome, which will include the finding for each alleged violation, applicable sanction(s) MCCCCD is permitted to share pursuant to state or federal law, and a detailed rationale, written by the decision-maker, supporting the findings to the extent MCCCCD is permitted to share under federal or state law. The notification will also detail the parties' equal rights to appeal, the grounds for appeal, the steps to request an appeal, and when the determination is considered final if no party appeals. The TIXC will provide the notice of outcome to the parties and their advisors within five (5)-business days of the conclusion of the resolution process. The notice of outcome will be shared with the parties simultaneously, or without significant time delay between notifications.

Notification will be made in writing and will be emailed to the parties' MCCCCD-issued email or designated email account. Once emailed, notice is presumptively delivered.

College - Initiated Protective Measures

In addition to those protective measures previously described the Title IX Regional Director or their designee will determine whether interim interventions and protective measures should be implemented, and, if so, take steps to implement those protective measures as soon as possible. Examples of interim protective measures include but are not limited to: a college order of no contact, residence hall relocation, adjustment of course schedules, a leave of absence, or reassignment to a different supervisor or position. These remedies may be applied to one, both, or multiple parties involved. Violations of the Title IX Regional Directors' directives and/or protective measures may constitute related violations that may lead to additional disciplinary action. Protective measures imposed may be temporary pending the results of an investigation or may become permanent as determined by SCC.

(HEOA) Notification of Victims of Crimes of Violence

The College will, upon written request, disclose to the alleged victim of a crime of violence, or a non-forcible sex offense, the report on the results of any disciplinary proceeding conducted by such institution against a student who is the alleged perpetrator of such

crime or offense. If the alleged victim is deceased as the result of such crime or offense, the next of kin of such victim shall be treated as the alleged victim for purposes of this paragraph].

Campus Sex Crimes Prevention Act

The Campus Sex Crimes Prevention Act mandates that convicted sex offenders who are required to register under state law must also disclose their association with institutions of higher education when applicable. Specifically affected are those registered sex offenders who attend as students, are employed by or employed at, or volunteer at institutions of higher education. The CSCPA amends the Family Educational Rights and Privacy Act of 1974 to clarify that nothing in FERPA can prohibit an educational institution from disclosing information provided to the institution concerning registered sex offenders.

The Arizona Department of Public Safety has established the Arizona Sex Offender Info Center according to the requirements of [A.R.S. § 13-3827](#). Arizona DPS is responsible for maintaining the site and annually verifying the addresses of registered sex offenders in the State of Arizona. For more information, visit <https://www.azdps.gov/services/public/offender>.

MCCCD Police will compare both the employee and student databases on an annual basis with the state sex offender database to ensure that students and employees are safe from unreported sex offenders. MCCCD Police will notify the college community of a registered sex offender, as required by law. Notification also can be found on the MCCCD Police website at: <https://district.maricopa.edu/consumer-information/sex-offender-information-notification>

Timely Warnings and Emergency Notifications

Timely Warnings

Timely Warnings are initiated by crimes that have already occurred, but represent an ongoing or serious threat to the campus community. MCCCDCD may issue a timely warning for any Clery Act crime committed on its campuses and/or Clery Geography, which has been reported to a campus security authority or local law enforcement agency, and that is considered by MCCCDCD to represent a serious or continuing threat to students, staff, and/or faculty.

Clery Geography is defined as the core campus boundaries (which includes all district/college owned or controlled property on campus and public property that is within or immediately adjacent to the campus) and on non-campus properties. The MCCCDCD Police Department issues Timely Warnings as soon as the pertinent information is available, in a manner that withholds the names of victims as confidential, and with the goal to aid in preventing similar crimes, enable people to protect themselves, and may seek information that may lead to an arrest or conviction of an offender.

The MCCCDCD Police Department is responsible for determining if a Timely Warning will be issued once notified a Clery Act crime has been reported to a campus security authority, local law enforcement, or directly to the District Police Department. Timely Warning Notices are typically written and distributed by the Police Commander, or designee. Timely Warnings are disseminated using a variety of methods to include, but not limited to:

- Rave text messages
- Mass email notifications
- Flyers

Timely Warnings are typically issued for the following Uniform Crime Reporting Program (UCR)/National Incident Based Reporting System (NIBRS) crime classifications:

- Murder/Non-Negligent Manslaughter
- A string of Burglaries or Motor Vehicle Thefts that occur in reasonably close proximity to one another
- Aggravated Assault (cases involving assaults among known parties, such as two roommates fighting which results in an aggravated injury, will be evaluated on a case-by-case basis to determine if the individual is believed to be an ongoing threat to the larger SCC community)
- Robbery involving force or violence (cases including pick pocketing and purse snatching will typically not result in the issuance of a Timely Warning Notice, but will be assessed on a case-by-case basis)
- Sexual Assault (considered on a case-by-case basis depending on the facts of the case, when and where the incident occurred, when it was reported, and the amount information known by the Police Commander, or designee). In cases involving sexual assault, they are often reported long after the incident occurred, thus there is no ability to distribute a “timely” warning notice to the community. All cases of sexual assault, including stranger and non-stranger/acquaintance cases, will be

- assessed for potential issuance of a Timely Warning Notice.
- Major incidents of Arson
- Other Clery crimes as determined necessary by the Police Commander, or his or her designee in his or her absence.

When deciding whether to issue a Timely Warning, the primary considerations are (1) the nature of the crime and (2) whether there is a continuing danger that members of the campus community may become victims of a similar or related crime. These warnings advise the community about violent crimes against persons, a series of crimes against property, or threats to persons or property in an effort to inform the community about potential risks and allow individuals to protect themselves against such risks. Timely Warnings may also provide details of the crime or threat, a description of the suspect (if known), information on who to contact about the investigation, and crime prevention tips.

A Timely Warning Notice will typically include the following, unless issuing any of this information would risk compromising law enforcement efforts:

- Date and time or timeframe of the incident
- Location
- Nature of the crime
- Information that will promote safety and potentially aid in the prevention of similar crimes (crime prevention or safety tips)
- Suspect description(s)
- Police agency contact information
- Other information as deemed appropriate by the Chief or his/her designee

The description of subjects in a case will only be included in the notice if there is a sufficient amount of detail to describe the individual. If the only known descriptors are sex and race, then this information will not be included in the notice.

MCCCD Police works closely with individuals reporting serious crimes to ensure the victim's privacy, while also ensuring the community has adequate information regarding potential risks. The names and identifying information of victims will not be released in a Timely Warning.

The institution is not required to issue a Timely Warning with respect to crimes reported to a pastoral or professional counselor. MCCCD does not employ pastoral or professional counselors.

Emergency Notifications

The Maricopa County Community College District (MCCCD) is duty-bound to immediately notify the College Community upon confirmation of a significant emergency or dangerous situation involving an imminent threat to health and/or safety. The MCCCD Police Department shall utilize the Emergency Mass Notification system to promptly notify the District and/or local College Community for any significant emergency or dangerous

situation involving an immediate threat to the health and/or safety of students, employees or visitors. The only reason MCCCDCD Police will not immediately issue an emergency mass notification for a confirmed emergency presenting an identified risk to health and/or safety will be under a unique circumstance that would compromise efforts to:

- Assist a victim or victims;
- Contain the emergency;
- Respond to the emergency;
- Otherwise mitigate the emergency

The MCCCDCD Police Chief or designee in conjunction with other College administrators, local first responders, Public Health Officials and/or the National Weather Service, will confirm that a significant emergency or dangerous situation exists, determine the emergency notification content, identify the segments of the campus community to receive the notification, and initiate the notification system, unless doing so will, based on the Chief or the designee's professional judgement, compromise efforts to assist a victim or to contain, respond to or otherwise mitigate the emergency. The MCCCDCD Police Department has the sole authority to issue emergency notifications, as it deems necessary, to maximize public safety.

Scottsdale Community College will, without delay and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless doing so will, based on the Chief or the designee's professional judgement, compromise efforts to assist a victim or to contain, respond to or otherwise mitigate the emergency. The MCCCDCD Police Department has the sole authority to issue emergency notifications, as it deems necessary, to maximize public safety.

For an emergency response to fires and ill or injured persons, MCCCDCD relies upon the municipal Fire Department emergency services in the city where each campus is located. Therefore, the Incident Commander may be a member of the local fire department. They will utilize the Incident Command System but follow their own agency's policies and procedures while responding to the emergency. An Incident Commander has the authority on scene and should be consulted to determine the content of the notification. There are other local, county, state and federal agencies which may be consulted during an emergency, such as FEMA during a dangerous weather event, or the Public Health Department to confirm a serious virus outbreak.

A determination regarding what segment of the campus community will receive the notification shall be based on the nature, severity, and location of the emergency. The same procedures will be used to notify the larger campus community.

Given the severe consequences that could result, every member of the community is encouraged to report emergencies immediately. Dial 911 to reach police. The police department answering the call will notify the police department with jurisdiction so emergency services can be dispatched. Your first priority is to get to safety; your second

priority is to call 911.

Notification Procedures

In the event of a serious incident that poses an immediate threat to members of the campus community, MCCCCD has various systems in place for communicating information quickly. Some or all of these methods of communication may be activated in the event of an immediate threat to the campus community. These methods of communication are:

- Rave text messages
- Mass email notifications
- VOIP phone announcements
- Alertus internal/external speakers (where available)
- Emergency intercoms (where available)
- Fire alarms
- Digital signage
- Social media
- District/College website

The notification system's purpose is to provide brief and immediate instructions to the campus community and to provide other resources where additional information can be obtained. If any of these systems fail or the College deems it appropriate, in person communication may be used to communicate an emergency.

All students, faculty and employees are enrolled in the emergency notification system. To opt-out for emergency text and voice messaging, students, faculty, and staff can do so through <https://police.maricopa.edu/emergency-preparedness/about-mems>.

Follow-up information will be distributed using some or all of the identified communication systems (except fire alarm).

The local news media may be utilized to disseminate emergency information to members of the larger community, including neighbors, parents and other interested parties. The larger community can also access emergency information via the Scottsdale Community College homepage and/or social media.

If there is an immediate threat to the health or safety of students or employees occurring on campus, an institution must follow its emergency notification procedures. An institution that follows its emergency notification procedures is not required to issue a timely warning based on the same circumstances; however, the institution must provide adequate follow-up information to the community as needed.

Community Notifications

Community Notifications are developed and distributed to the community for security and

safety related incidents that do not meet the legal standards or requirements for the distribution of an Emergency Notification or Timely Warning Notice per the Clery Act. Examples of such incidents and situations include:

- A crime or pattern of crimes that are not one of the 15 reportable Clery crimes.
- A crime that occurs outside of the SCC Clery Geography (the decision to issue a Community Notification for an off-campus crime will be made on a case-by-case basis depending on an assessment of various factors, which include but are not limited to: the nature of the crime, the exact location, the time of the incident, the local police response, and guidance to campus officials and the potential direct effect on the campus community).
- A minor security or safety issue.
- Facilities-related issues that may cause a disruption to one or more campuses.

Community Notifications are typically written by the Chief of Police or designee and are distributed via email and may be distributed to the entire campus community or to a segment of the community that is affected, as deemed appropriate by MCCCDCD Police.

Emergency Preparedness Plan

The Emergency Preparedness Plan (EPP) is designed to provide the Maricopa County Community College District (MCCCDCD) with a management tool to facilitate a timely, effective, efficient, and coordinated response to a variety of situations including emergencies. It is based upon integrating MCCCDCD emergency response resources with those of other jurisdictional emergency response agencies. The colleges and District Office (DO) will typically rely on their local city and other agencies to provide resources for law enforcement, fire, and emergency medical services (EMS).

The EPP uses the National Incident Management System-Incident Command System (NIMS-ICS) for managing major events, emergency situations and even disasters. It is intended to be fully NIMS compliant. The Incident Command System (ICS) is designed to be used for all types of incidents and is applicable to routine day-to-day emergency situations as well as large scale complex disasters. ICS provides a system for managing emergency operations involving a single agency within a single jurisdiction; multiple agencies within a single jurisdiction; and multiple agencies from multiple jurisdictions.

The organizational structure of the ICS may not resemble the day-to-day organization of the college or District Office. Employees may report to other employees to whom they do not usually have a reporting relationship. Furthermore, as the severity of the incident increases, employee assignments may change in the ICS organizational structure. This means that an employee's position in the ICS structure may change during the course of a single incident.

The EPP is part of a larger integrated Emergency Management & Continuity of Operations Program at MCCCDCD that focuses on mitigation, preparedness, response, continuity and

recovery activities. The Maricopa Emergency Management System (MEMS) is part of this integrated program.

The EPP is based on the fact that MCCCDC and local governments (e.g., the City of Phoenix, Mesa, Glendale, Avondale, Chandler, Tempe and the Salt River Indian Community) will most likely respond to emergencies that occur on a MCCCDC campus. Operations are designed to protect lives, stabilize the incident, minimize property damage, protect the environment and provide for the continuation and restoration of essential services.

The EPP provides a framework for emergency preparation, response and recovery efforts. Leadership, preparation, good judgment and common sense overall by personnel directing these efforts will determine the effectiveness of the response and outcome. Given the nature of some emergencies, the Incident Commander or Unified Command may alter the ICS structure for more effective response or to accomplish strategic priorities.

The guidelines and procedures included in this plan have utilized the most current information and planning assumptions available at the time of preparation. There is no guarantee in outcome or performance implied by this plan. In an emergency, resources may be overwhelmed and essential services may be delayed, inadequate or in extreme cases not be available at all. Deviation from these guidelines may be necessary given the facts of any particular situation.

Emergency Response and Evacuation Procedures

In the event of an emergency, the District Police Department has the responsibility for responding to and summoning any immediate necessary resources. The district relies upon the municipal Fire Department in the city where each campus is located. Therefore, during a fire, hazardous materials situation, or medical emergency the Incident Commander may be a member of the local fire department. They will use the Incident Command System but will follow their own agency's policies and procedures while responding to the emergency. There are other local, county, state and federal agencies which may be consulted during an emergency, such as the Public Health Department being asked to confirm a serious virus outbreak.

Training Objective

Training is a vital element of preparedness to ensure college leadership, district police staff, safety coordinators and the CMT is prepared for an effective and timely response during emergencies. Training will occur on a continuing basis with all portions of the plan. The goals of emergency preparedness training, including drills and exercises, include the following:

- Testing and evaluating plans and procedures (announced or unannounced).
- Identifying plan weaknesses.
- Identifying gaps in resources.
- Clarifying roles and responsibilities.
- Training personnel in roles and responsibilities.
- Establishing college community confidence and support.
- Improving interagency/jurisdictional coordination.
- Meeting regulations and requirements.

Schedule of Training, Drills and Exercises

Emergency preparedness training drills and exercises are to be conducted at college campus every semester. Simulated emergency situations allow first responders, employees and students to become familiar with procedures, facilities, evacuation assembly points and communications systems that will actually be used in emergency situations. Training is conducted in several formats:

Orientation - scheduled on an ongoing basis for new employees, safety coordinators and crisis management team members. Orientation may include an overview of the college emergency preparedness program; crisis management team roles and responsibilities; and / or introduction or review of the emergency preparedness plan.

Drills – are conducted at each college at least once a calendar year with faculty, staff and students to test a specific operation, function or equipment. Drills are planned in advance, supervised, and coordinated among college first responders and CIMT. Drills may take the form of an evacuation, lockdown or shelter in place.

Exercises – are conducted at each college with first responders, College Incident Management Team members and members of the college community. Individuals or departments perform tasks that would be expected of them in a real emergency. Exercise types include tabletop, functional or full scale. College exercises are coordinated through use of an Exercise Guide and results of the drills / exercises, including corrective action(s) and lessons learned, are documented through the use of an After-Action Report (AAR) and an Improvement Plan.

In conjunction with other emergency agencies, the College conducts emergency response drills and exercises each year, such as tabletop exercises, field exercises, and tests of the emergency notification systems on campus. These tests, which may be announced or unannounced, are designed to assess and evaluate the emergency plans and capabilities of the institution.

The college publicizes a summary of the emergency response and evacuation procedures via email at least once each year in conjunction with a test (exercise and drill) that meets all of the requirements of the Higher Education Opportunity

Act.

SCC Drills and Exercises

Lockdown Drill(s):

The SCC Police office conducted lockdown and fire/evacuation drills for individual buildings and classrooms throughout the year. The College Police office tested the classroom intercom system to ensure proper operation in the Spring, Summer and Fall semesters.

Evacuation Procedures

Limited Evacuation

District policy requires immediate evacuation when any fire alarm sounds within a building. All students, faculty, staff, and any other individuals within the building must immediately depart the building using available exit routes if safe. All building occupants will follow instructions issued by MCCCCD Police personnel.

Conditions for temporary evacuation of a building or area also include, but are not limited to, incidents of mechanical, electrical, or other facility-related failures, health, safety, and/or environmental issues such as hazardous spills, and other emergency conditions. MCCCCD Police Department, in consultation with other campus offices, will decide if a limited evacuation is warranted.

Campus-wide Evacuation

For any event that significantly threatens Scottsdale Community College, the MCCCCD Police Department in consultation with the College President or designee will determine if a campus-wide evacuation is warranted. If a decision is made to evacuate a campus building, you will be notified by activation of the Emergency Intercom System, audible/visual fire alarm system (horns and/or white strobe lights), a phone call, text alert, verbally, or by VOIP (some phones can be used as a speaker system) announcement. Once you are notified, evacuation is required.

- If possible, take the most important personal items with you (e.g., medications, keys, purse, and jacket).
- Close doors behind you, but do not lock them.
- Do not use elevators.
- Evacuate the area by using the exits, follow directions, and go to the assigned outdoor evacuation area.
- If you are unable to leave the building, or there is no ground floor access, notify District Police of your situation and tell them what type of assistance you require

(e.g., wheelchair user, breathing difficulties, visual impairment).

Once the campus is evacuated, it will be secured and no one will be allowed to re-enter without proper authorization.

The campus will remain closed until the decision to reopen is made by emergency responders and College Administration. Campus re-opening will be broadcasted through email, text alert, web, local radio and television stations. For more information on what to in an emergency, go to: <https://www.scottsdalecc.edu/college-police>

Special Assistance

Individuals with disabilities are encouraged to prepare for emergencies ahead of time by discussing their need with appropriate personnel. Employees should discuss questions or concerns about emergencies with their supervisor and/or the [EEO/ADA](#) office. Students should discuss questions or concerns about emergencies with the Disability Resources [\(DRS\)](#) office on campus:

Shelter-in-Place Procedures

What it means to “Shelter-in-Place”

If an incident occurs and the building(s) or areas around you become unstable or unsafe, or if the air outdoors becomes dangerous due to toxic or irritating substances, it may be safer to stay indoors. Leaving the area may expose you to that danger caused by high winds, limited visibility, and respiratory-related issues, to name a few. Thus, to “shelter-in-place” means to “make a shelter” using the building that you are in, and with a few adjustments, this location can be made even safer and more comfortable until it is safe to go outside.

Basic “Shelter-in-Place” Guidance

During an incident, if the building you are in is not damaged and still affords protection, stay inside. If possible, move to an interior room and away from glass or items that might become dangerous flying objects. Stay inside until you are told the area is safe by designated staff or it is obvious the incident has passed and no longer affords protection from the incident. Take your belongings needed for personal care (purse, wallet, medications) as long as it does not slow your exit. Follow the evacuation protocols for your building (close your door, proceed to the nearest exit, and use the stairs instead of the elevators, etc.). Do not remove personal items (e.g., pictures, computer, etc.) Once evacuated, seek shelter at the nearest safe building. Follow all instructions given by first responders if they are already on scene.

How You Will Know to “Shelter-in-Place”

A shelter-in-place notification may come from several sources, including District Police, College employees or other authorities utilizing the colleges' emergency communications tools such as:

- Rave text messages
- Mass email notifications
- VOIP phone announcements
- Alertus internal/external speakers (where available)
- Emergency intercoms (where available)
- Digital signage
- Social media
- District/College website
- In person

How to “Shelter-in-Place”

No matter where you are, these basic steps should assist and should be considered unless instructed otherwise by emergency personnel.

1. If you are inside, stay where you are. Collect any emergency shelter-in-place supplies you may need if you must evacuate immediately. Supplies will also include any items you may need if utilities are severed, and you must remain inside for a prolonged period. (e.g., a flashlight, extra batteries, etc.).
2. If you are caught outdoors, move quickly to the nearest undamaged building and take shelter.
3. If possible, your shelter area should be:
 - a. an interior room
 - b. above ground level
 - c. without windows or with the least number of windows possible.
4. Shut and lock all windows (tighter seal) and close exterior doors.
5. Turn off air conditioners, heaters, and fans.
6. Close ventilation system vents if able. University staff will turn off the ventilation as quickly as possible.
7. Turn on a radio or TV (if power is still available) and listen for more information about the incident.

Security and Access to Campus Buildings and Grounds

As a public community college district, most campus buildings and facilities are open to the public during the day and evening hours, when classes are in session and events are occurring. At other times, College buildings are generally locked and only faculty, staff, and authorized individuals are admitted. Consequently, regardless of the time of day or night, and no matter where you may be on campus, it is important for you to be alert and aware of your surroundings and exercise personal safety at all times. Do not leave doors

propped open or unlocked after hours.

Electronic Card Access

Most campuses utilize an electronic access control system for access to buildings and classrooms. Electronic access data is used strictly for purposes of investigative incident management or may be anonymized for general reporting. It is prohibited for tracking individuals.

If your campus keys/access cards are lost or stolen, report the loss immediately to the District Police Department.

SCC does not maintain on-campus student housing facilities.

MCCCD Police Officers conduct routine patrols of campus buildings to evaluate and monitor security related matters.

Security Maintenance

Facilities and landscaping are maintained in manner that minimizes hazardous conditions. District Police at SCC regularly patrols the campus and reports malfunctioning lights and other unsafe conditions to Facilities Maintenance and Operations for repair. Other members of the campus community should promptly report hazardous or unsafe conditions to either District Police or Maintenance and Operations.

Weapons Prohibited on Campus

Arizona State law [A.R.S. § 13-2911](#) provides for the Maricopa County Community College District Governing Board to regulate deadly weapons, which includes firearms, on District campuses. The Maricopa County Community College District does not allow firearms or any deadly weapon on any of its campuses. Police officers do have exemptions from these laws. However, contact the District Police department to ascertain who may have authority to carry a firearm on campus. [\[ADMIN REG 4.6\]](#)

Any person violating the policy shall be ordered to leave the campus. Any person, who refuses to leave, shall be subject to arrest under [A.R.S. § 13-1502](#) Third Degree, Criminal Trespass. Any student/employee violating this policy is also subject to applicable college disciplinary procedures. If a person having a weapon appears dangerous, is acting suspicious, is threatening, or is behaving irrationally, stay away from the individual and call MCCCD Police at **480-784-0911** or **9-1-1** immediately.

Witness a Crime Involving a Weapon?

If you are a witness to a crime involving a weapon, call 911 immediately. If you see a weapon of any kind on campus, alert the police by contacting the corresponding college District police department.

Hate Crimes

MCCCD is also required to disclose statistics for Hate Crimes. Hate Crimes are not separate distinct crimes, but instead involve any traditional criminal offense that manifests evidence that the victim was intentionally selected because of the perpetrator's bias against the victim. Bias is an expressed negative opinion or attitude toward a group of persons based on actual or perceived race, gender, religion, national origin, sexual orientation, gender identity, ethnicity, or disability. Before an incident can be classified as a Hate Crime, sufficient objective facts must be present to lead a reasonable and prudent person to conclude that the offender's actions were motivated, in whole or in part, by bias.

MCCCD takes a strong stance against Hate Crimes, violent acts, property damage, intimidation, and threats because of a person's perceived personal characteristics. Hate Crimes will not be tolerated or dismissed as "pranks" or "bad behavior." Hate crimes should be reported to the appropriate college departments and organizations so proper follow-through can occur. Immediately report any hate crime incident.

Witness a Hate Crime?

Reporting hate crime is a key part of stopping such acts. If you or someone you know reports a hate crime, the matter will be taken seriously. A thorough investigation will be conducted and, if evidence warrants, administrative and/or criminal proceedings will follow. Call or report the hate crime incident to the corresponding [District Police Department](#) at 480-784-0911.

Student Code of Conduct

According to the laws of the State of Arizona, jurisdiction and control over the Maricopa County Community College District (MCCCD) are vested in the MCCCD Governing Board. The MCCCD Governing Board and its agents - the Chancellor, administration, and employees are granted authority to regulate student behavior subject to basic standards of reasonableness.

In developing responsible student conduct, the MCCCD prefers mediation, guidance, and admonition. However, when these means fail to resolve problems of student conduct and responsibility, appropriate disciplinary procedures will be followed. The MCCCD reserves the right to levy discipline rather than attempt mediation and guidance, based on the severity of the conduct.

The purpose of this [Student Code of Conduct](#) is to help ensure a productive and safe

environment for students, employees, and visitors. This conduct code is not a stand-alone policy. This code is subject to the provisions outlined in [AR 5.1.16](#), generally known as the [Title IX policy](#), and [AR 6.24](#), generally known as the Free Expression policy, and [AR 5.1](#), generally known as the Non-Discrimination policy. There are other policies that may intersect with other administrative regulations.

- following civil or criminal proceedings off campus at the discretion of the college official responsible for administration of the Student Conduct Code. - B. When a student is charged by federal, state or local authorities with a violation of law, the college will not request or agree to special consideration for that individual because of their status as a student. If the alleged offense is also being processed under this Student Conduct Code, however, the college may advise external law enforcement and other authorities of the existence of this Student Conduct Code and of how such matters will be handled internally within the college community. Article IV: Student Conduct Code Procedures

1. Allegations and Resolution Options

- A. Any member of the college community may file a complaint against a student for violations of this Student Conduct Code. A complaint may be in writing or verbally given to the Student Conduct Administrator. Once the complaint has been made, it shall be put in writing and a notice of allegation should be submitted to the Respondent. A Respondent must receive written notice of the allegations before a meeting is held with the Respondent regarding the conduct. The notice of allegations should outline the particulars of the complaint, the presumption of innocence, an outline of the Respondent's due process rights, and the contact information for the Student Conduct Administrator.
- B. There is no statute of limitations for bringing a complaint under the Student Conduct Code, but it is advisable to bring a complaint as soon after the conduct

- being reported occurred.
- C. Both the Complainant and the Respondent shall have the right to be assisted by an advisor of their choosing. A party who elects to be assisted by an advisor must notify the Student Conduct Administrator of the name and contact information of the Advisor not less than two (2) days before the scheduled meeting with the party. Advisors may not be an attorney. Both the Complainant and the Respondent are responsible for presenting their own information during the course of the meeting. Advisors are not permitted to speak or participate directly in any Student Conduct meeting or proceeding and can be removed from proceedings by not abiding by these parameters.
 - D. Misconduct that would fall under the jurisdiction of AR 5.1.16, meaning it alleges sexual harassment, discrimination, sexual assault, dating/domestic violence, or stalking should be forwarded to the Title IX Coordinator for a jurisdictional review. In such cases where the conduct alleged does not meet the definition of sexual harassment, as outlined in the Title IX Regulations (and MCCCDC policy AR 5.1.16) or is otherwise subject to mandatory or discretionary dismissal, the alleged conduct will be referred back to the Student Conduct Code for investigation and adjudication.
 - E. After receiving information on alleged violations of the Student Conduct Code, the Student Conduct Administrator will review the information, gather facts, and make a determination on the appropriate next steps. Documentation regarding the aforementioned steps must be maintained. Next steps are:
 - i. Dismiss the case due to insufficient evidence, lack of jurisdiction, or the alleged behavior, even if proven true, would not violate the code.
 - ii. Proceed with a full, thorough, and impartial investigation with formal disciplinary proceedings.
 - iii. Initiate an informal resolution outside of formal disciplinary proceedings provided involved parties mutually agree and the Student Conduct Administrator determines this option is appropriate given the nature of the allegations. An informal resolution can also be an option when the Respondent accepts responsibility for the behavior.
 - iv. If the informal resolution option is initiated, the determination with regard to responsibility and sanctions is final and cannot be appealed.

2. Informal Resolution Options

- A. Informal resolution options include, but are not limited to: administrative dispositions, mediation, facilitated dialogue, and restorative justice practices.
- B. Determinations regarding the type of informal resolution offered in a particular case will be made in consultation with the Student Conduct Administrators, other MCCCDC leadership, as necessary, and the students at issue. Staff outside of the Student Conduct Administrator's office may be involved in facilitating the agreed upon option.
- C. Informal resolutions can result in the same sanctions and institutional

- responses as are reserved for matters that have been addressed through a full investigation.
- D. The Student Conduct Administrator will make the determination with regard to responsibility.
 - E. Should new facts come forward during the informal resolution process that significantly alter the nature of the allegations, the Student Conduct Administrator has the discretion to initiate a full investigation. If one of the involved parties decides that the informal resolution option is not appropriate, they may request a full investigation. This request must be submitted to the Student Conduct Administrator before the conclusion of the informal resolution process. If this action is taken, the Student Conduct Administrator will document the end of the informal resolution process and shall initiate a formal investigation.
 - F. Both the Complainant and the Respondent must sign an agreement to engage in the informal resolution process.

3. Interim Actions

- A. If the Student Conduct Administrator is in receipt of information indicating that the Respondent poses a threat of harm or substantial disruption, the Student Conduct Administrator may take administrative action(s) to restrict, suspend, or alter the rights of a student for a temporary period. The interim action(s) will be communicated in writing to involved parties and will remain in place until a final decision on the pending allegations has been made or until the Student Conduct Administrator believes the reason(s) for issuing the interim action(s) no longer exists. These administrative actions are not designed to be punitive, and they are not issued as sanctions.
- B. A student who is restricted from campus or suspended due to interim action(s) may appeal the interim action(s) in writing to the Dean or Vice President of Student Affairs (VPSA) who is over the Student Conduct Administrator, and in the case that a VPSA is the Student Conduct Administrator, to the President of the college, no later than five (5) business days following the effective date of the interim action(s). This person will determine, within five (5) business days of receipt of the appeal, if the interim action(s) should remain in place, be modified, or lifted.
- C. Examples of interim actions include, but are not limited to, no contact directives, removal from a class or classes or specific MCCCDCD locations, administrative removal from campus, administrative/enrollment holds, and temporary suspension.
- D. Factors considered before issuing interim actions include, but are not limited to, individual safety, community safety, and the need to maintain an academic and work environment free from disruption. If the interim action is temporary suspension or removal from campus, the Student Conduct Administrator will

consult with the college's behavioral assessment team as part of the decision-making process.

4. Notice of Allegations and Investigations

- A. The notice of allegations letter sent to the Respondent will also be sent to the Complainant. The notice of allegation should specify that the investigation will be done to determine, under the preponderance of the evidence standard, if a violation of the policy has taken place. The notice of allegations should outline the particulars of the complaint, the presumption of innocence, an outline of the Respondent's due process rights, and the contact information for the Student Conduct Administrator.
- B. Investigations will be conducted in a fair and impartial manner. Respondents are treated with a presumption of innocence until such time as it has been adjudicated that a violation of the Student Conduct Code has taken place.
- C. If during the investigation additional allegations are presented or if allegations outlined in the original notice of allegations have been retracted, the Respondent must receive an amended notice of allegations and shall be allowed to address the new allegations.

5. Investigation Process

- A. At the beginning of the investigation interview, the Student Conduct Administrator will review with the party being interviewed: The Student Conduct Code, the investigation process, how determinations are made, possible sanction(s), the prohibition against retaliation, and appeal options.
- B. Students are expected to comply with requests and directives issued by the Student Conduct Administrator performing duties connected to an investigation. Should a student choose to not participate in the conduct process, the Student Conduct Administrator will proceed with the investigation and make determinations without gaining input from the non-participating student.
- C. After the investigative interview, Respondents will be given up to five (5) days to reflect upon and respond to the allegations(s) in writing. The written response should be delivered to the Student Conduct Administrator within that time period. Likewise, Complainants and witnesses will be given up to five (5) days to reflect upon and respond to the information presented and outlined during the investigative interview. The Student Conduct Administrator does not need to provide interview notes or additional information to the student to facilitate this process.
- D. A student can have an advisor present in all conduct proceedings, but the advisor cannot speak on the student's behalf.
- E. Involved parties can identify witnesses who have information relevant to the investigation. These witnesses will be contacted by the Student Conduct

Administrator who will assess the relevance of the witnesses and conduct interviews as appropriate.

- F. Complainants and Respondents will be notified in writing when an investigation has concluded and the investigative report has been completed, which will encompass all information except for a final determination.

6. Determinations

- A. The Student Conduct Administrator will determine whether it is more likely than not that a student and/or student organization violated the Student Conduct Code.
- B. The Student Conduct Administrator will consider any mitigating or aggravating factors and determine the appropriate sanctions.
- C. Within five (5) business days of the determination, the Student Conduct Administrator will provide the parties a written decision. The written decision will indicate whether or not the charge(s) was substantiated and, if the charge(s) was/were substantiated, will outline the remedial action(s) taken including sanctions if applicable, to be issued by the college. The determination letter will summarize the investigation and outline the determination made regarding the allegations outlined in the complaint, as well as state any issued sanction(s) based on a finding of responsibility.
- D. Respondent will be informed of the right to appeal the determination and will be given instructions on how to do so in the decision letter.

7. Appeals

- A. The Respondent must submit a written appeal request to the supervising Dean of Students or Vice President of Student Affairs (VPSA), or in the case that the Student Conduct Administrator is the VPSA, the President, no later than five (5) days from the date of the written determination.
- B. If no appeal is filed within the five (5) day window, the determination regarding responsibility for a violation under this policy and sanctions is final.
- C. Pending the filing of a timely appeal request, the decision by the Dean of Students or VPSA will delay the effective date of the disciplinary sanction.
- D. The grounds for an appeal are restricted to the following:
 - i. Procedural irregularity that affected the outcome of the matter, and
 - ii. New evidence that was not reasonably available at the time determinations regarding responsibility was made, or that could affect the outcome of the matter.
- E. The Dean of Students or VPSA will notify the involved parties of a decision regarding the appeal within five (5) days of receiving the appeal request. Both parties to the original investigation will be notified of the appeal decision.
 - i. If the appeal is denied, the decision by the Student Conduct

- Administrator shall be considered final and binding upon all concerned.
- ii. If the appeal is granted, the rationale for the decision will be outlined in the decision letter as will the next steps in the process.
 - iii. The appellate body has discretion upon granting an appeal to refer the matter back to the Student Conduct Administrator for reconsideration, or alter the sanction(s) only (including issuing more severe sanctions).

8. Matters Related to Infringement of the Right to Free Expression

- A. As outlined in Arizona Revised Statute 15-1866, any student who engages in individual conduct that materially and substantially infringes on the rights of other persons to engage in or listen to expressive activity is subject to discipline under this conduct code.
- B. In all disciplinary proceedings involving students, including proceedings involving expressive conduct, a student is entitled to a disciplinary hearing under published procedures that include, at a minimum, all of the following:
 - i. The right to receive advance written notice of the allegations.
 - ii. The right to review the evidence in support of the allegations.
 - iii. The right to confront witnesses who testify against that student.
 - iv. The right to present a defense.
 - v. The right to call witnesses.
 - vi. A decision by an impartial person or panel.
 - vii. The right to appeal.

9. Sanctions

- A. The following sanctions may be imposed upon any student found to have violated the Student Conduct Code:
 - i. **Warning** - a written notice to the student that the student is violating or has violated institutional rules or regulations.
 - ii. **Disciplinary Probation** - a written reprimand for violation of specified rules or regulations.  - ix. **Degree/Certificate Revocation** – permanent revocation of a student’s degree and/or certificate.

10. Miscellaneous

- A. **Administrative Hold** – The Student Conduct Administrator may place a temporary administrative hold preventing a student’s registration, transcript release, or graduation if it is necessary to secure the student’s cooperation in the investigation or compliance with an administrative direction. This hold is not a sanction but a necessary step to resolve the complaint promptly.
- B. **Academic Consequences** – Violations of the Student Conduct Code can have academic consequences if the violation also constitutes failure to meet standards of performance or professionalism set by the instructor or the program, or if it constitutes cheating, plagiarism, falsification of data, or other forms of academic dishonesty. In such cases, the instructor may award a failing grade for the assignment or the course in such cases, and the program faculty may decide that the student is ineligible to continue in the program. Academic consequences are determined by the faculty and academic administration, and are not dependent on the decisions of the college officials charged with the administration of the Student Conduct Code.

MCCCD Policy on Substance Abuse

Drug Free Schools & Communities Act of 1989 District Policy

Maricopa Community Colleges supports the Drug Free Schools and Communities Act Amendments of 1989, Public Law 101-226, and complies with all federal, state, and local laws pertaining to controlled substances, including alcohol. The possession, use, sale or consumption of an alcoholic beverage in any premises owned and/or leased/rented by the District for approved educational purposes is prohibited.

The Maricopa Community Colleges District prohibits the unlawful possession, use, and sale of illegal drugs on campus. The District Police Department is responsible for the enforcement of state underage drinking laws and enforcement of Federal and State drug laws.

College Response to Alcohol and Drug Violations

Besides the sanctions imposed by federal and state courts concerning controlled substance violation(s), the college will respond administratively when the offense involves a student or employee as the offender. Students and employees are subject to applicable District policies and disciplinary procedures. Sanctions may include suspension or

expulsion for student offenders or termination of employment for employees.

S-16 Statement on the Arizona Medical Marijuana Act (Proposition 203)

In 2010, Arizona voters approved the Arizona Medical Marijuana Act (Proposition 203), a state law permitting individuals to possess and use limited quantities of marijuana for medical purposes. Because of its obligations under federal law, however, the Maricopa Community Colleges will continue to prohibit marijuana possession and use on campus for any purpose.

Smart and Safe Arizona Act (Proposition 207)

In 2020 Arizona passed the Smart and Safe Act (Proposition 207), legalizing the adult recreational use of marijuana. The definitions associated with the Arizona Revised Statute can be found in [ARS 36-2850](#). Additional information regarding restrictions, violations, penalties and enforcement can be found in [ARS 36-2851](#), [ARS 36-2852](#) and [ARS 36-2853](#).

Under the Drug Free Workplace Act of 1988, and the Drug Free Schools and Communities Act of 1989, “no institution of higher education shall be eligible to receive funds or any other form of financial assistance under any federal program, including participation in any federally funded or guaranteed student loan program, unless it has adopted and has implemented a program to prevent the use of illicit drugs and abuse of alcohol by students and employees.” Another federal law, the Controlled Substances Act, prohibits the possession, use, production, and distribution of marijuana for any and all uses, including medicinal use. This law is not affected by the passage of the Arizona Medical Marijuana Act or the Smart and Safe Arizona Act. Because Maricopa Community Colleges could lose eligibility for federal funds if it fails to prohibit marijuana, it is exempt from the requirements of the Arizona Medical Marijuana Act. Therefore, Maricopa Community Colleges will continue to enforce its current policies prohibiting the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance on its property or as part of any of its activities. Employees and students who violate Maricopa Community Colleges policy prohibiting the use or possession of illegal drugs on campus will continue to be subject to disciplinary action, up to and including expulsion from school and termination of employment.

In compliance with the Drug Free Schools and Communities Act, Scottsdale Community College publishes information regarding the College’s prevention programs related to drug and alcohol abuse prevention which include standards of conduct that prohibit the unlawful possession, use, and distribution of alcohol and illegal drugs on campus and at institution-associated activities; sanctions for violations of federal, state, and local laws and College policy; a description of health risks associated with alcohol and other drug use and abuse; and a description of available counseling, treatment, rehabilitation and/or re-entry programs for SCC students and employees. A complete description of these topics, as provided in the College’s annual notification to students and employees, is

available online at: <https://www.scottsdalecc.edu/students/counseling/drug-awareness-addiction-and-recovery>.

Statistical Overview

The crime statistics in this report have been compiled in accordance with definitions taken from the Federal Bureau of Investigation Uniform Crime Reporting Handbook as required by Clery Act regulations and modified by the Hate Crime Statistics Act and Campus SaVE Act.

The data relates to all reported crimes occurring on Scottsdale Community College campus, as well as relevant non-campus property and public property as these terms are defined in the aforementioned Geographical Definitions. Also included are crimes reported to District Police by its officers, the local law enforcement agencies having primary jurisdiction, and other college personnel who have significant responsibility for

student and campus activities. Although asked to do so, not all law enforcement agencies responded to or were able to provide statistics as required for Clery Act reporting.

MCCCD students can stay overnight in hotels, campgrounds, while traveling with officially recognized groups and clubs. Letters were sent to the applicable police departments in each jurisdiction, requesting Clery Act data, for these stays which required Clery Act reporting.

If rape, fondling, incest, or statutory rape occurs in the same incident as a murder, MCCCD will record both the sex offense and the murder in the statistics.

Incidents and arrests occurring in On-Campus Student Housing Facilities are duplicated in the On-Campus totals and are not in addition to them.

For stalking, MCCCD records a crime statistic every year in which the course of conduct is reported to a local policy agency or a Campus Security Authority. MCCCD also records each report of stalking as occurring only at the first location within MCCCD's Clery geography in which a perpetrator engaged in the stalking course of conduct or a victim first became aware of stalking.

The statistics for drug, liquor law, and weapons violations related to actual offenses occurring on campus property.

Violations Referred for Disciplinary Action are the result of alleged criminal offenses, which did not result in an arrest, but were referred to other responsible college officials for administrative investigation and possible disciplinary action, administrative action, or educational intervention.

Unfounded Crimes

Pursuant to the Violence Against Women Reauthorization Act regulations, an institution may withhold, or subsequently remove, a reported crime from its crime statistics in the rare situation where sworn or commissioned law enforcement personnel have fully investigated the reported crime and, based on the results of this full investigation and evidence, have made a formal determination that the crime report is false or baseless and therefore "unfounded." Only sworn or commissioned law enforcement personnel may "unfound" a crime report. The recovery of stolen property, the low value of stolen property, refusal of the victim to cooperate with the prosecution, and the failure to make an arrest do not "unfound" a crime report.
