

Financial Aid Maximum Timeframe Appeal

Scottsdale Community College - 9000 E. Chaparral Rd, Scottsdale AZ 85256

IMPORTANT INFORMATION and DEADLINES

According to Satisfactory Academic Progress guidelines, you are on financial aid suspension for not meeting maximum timeframe. This means you already have a bachelor's degree or you attempted more than 150% of the credit hours required for your declared degree or certificate. You may appeal this decision by completing this form. Incomplete forms will not be accepted.

Submission Deadlines: Deadlines to submit an MTF appeal for consideration for the current semester. Forms submitted after the deadline will not be considered for current semester aid.

Submission Dates for 2025-2026 appeals:

The last day to submit an MTF appeal for the 2025-2026 aid year is as follows: *Fall - November 28, 2025, Spring – April 24, 2026, Summer - June 11, 2026.

Submission dates are based on the end date of the semester. If your last day of class is before the posted end date(s), you must submit the appeal a minimum of two weeks before your last day of classes to allow for processing time.

Processing Timeframes: The committee will make every effort to review appeals within 15 business days from the date they are submitted; however, due to the volume of appeals, not all appeals may be reviewed within that timeframe. Additionally, the appeal process may require more than the typical three weeks during the colleges busiest time of year, such as July, August, January and February. Please note that SCC offices are closed during certain times of the year and processing time for your appeal may be increased based on these holidays.

Appeals can be approved or denied. Decisions will be sent to your Maricopa email address. All decisions are final.
