

# CNUW 25<sup>TH</sup> ANNIVERSARY DINNER EVENT

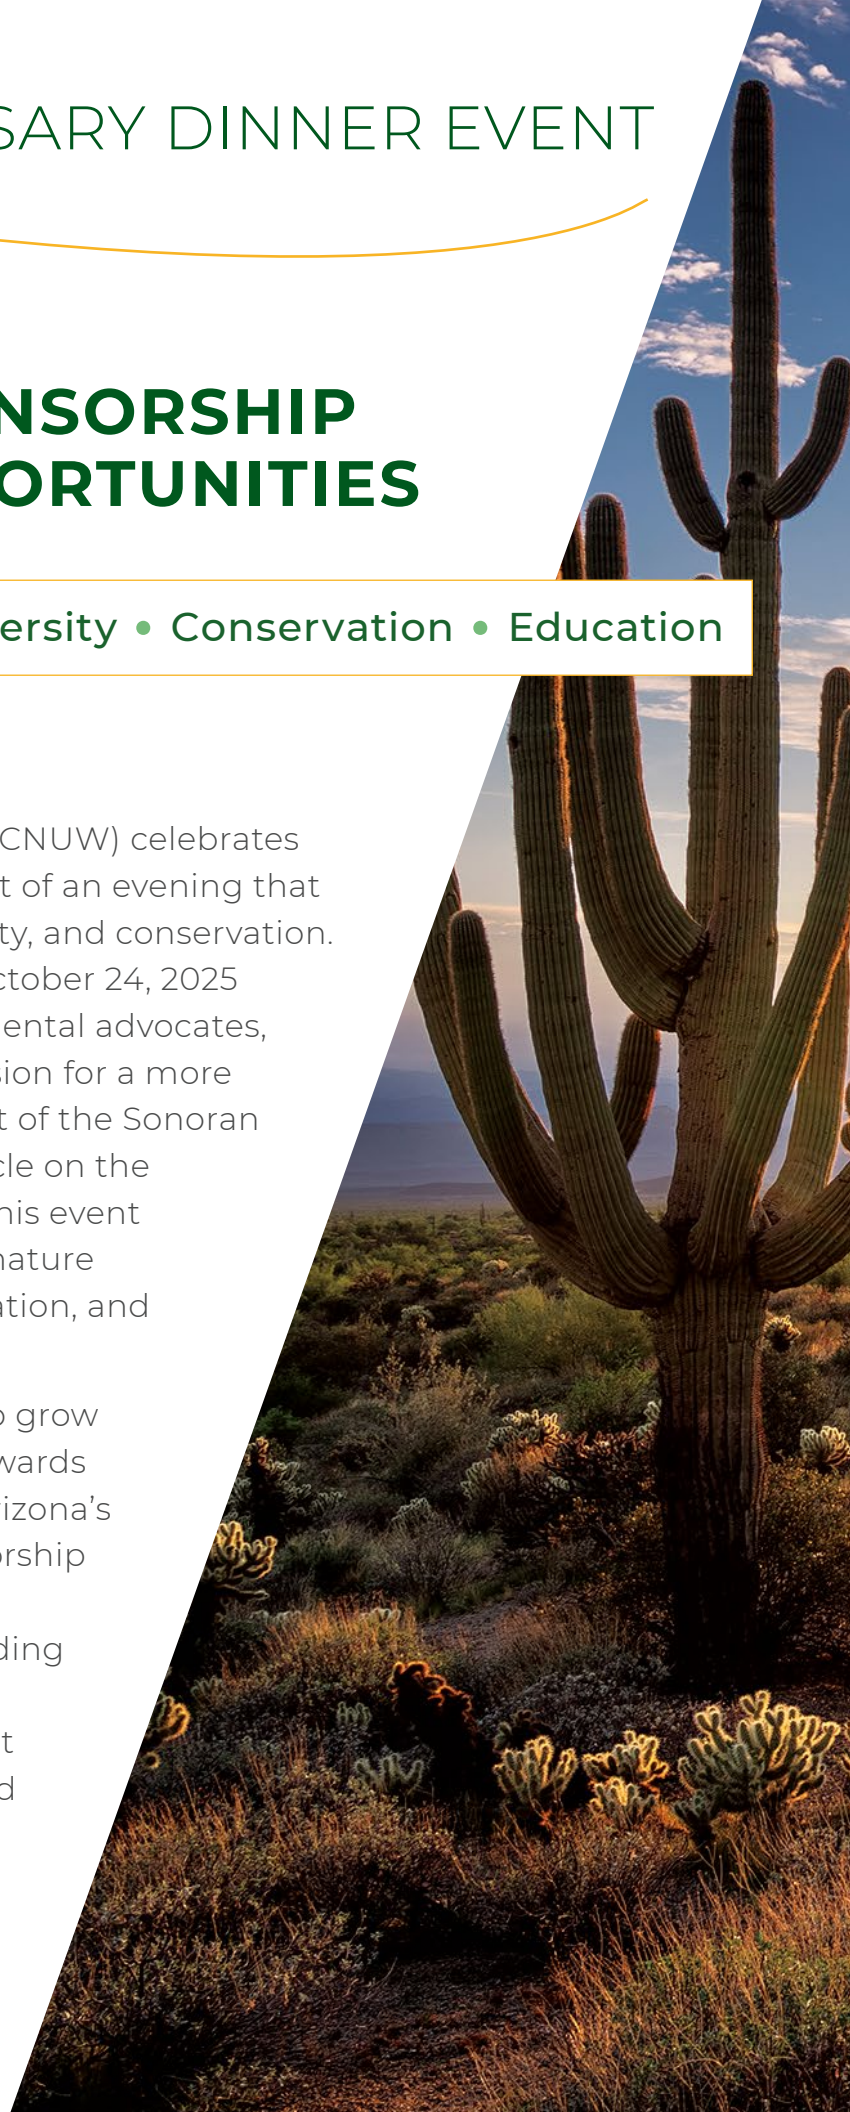

## SPONSORSHIP OPPORTUNITIES

Biodiversity • Conservation • Education

As the Center for Native & Urban Wildlife (CNUW) celebrates 25 years of impact, we invite you to be part of an evening that honors the power of education, community, and conservation. The CNUW 25th Anniversary Dinner on October 24, 2025 will bring together civic leaders, environmental advocates, educators, and supporters who share a vision for a more sustainable future—right here in the heart of the Sonoran Desert. Held at the scenic Two Waters Circle on the Scottsdale Community College campus, this event will raise vital funds for CNUW's three signature initiatives: urban rewilding, habitat restoration, and environmental education.

By becoming an event sponsor, you'll help grow the next generation of environmental stewards while showcasing your commitment to Arizona's ecological and educational future. Sponsorship opportunities offer meaningful visibility before, during, and after the event—including recognition in promotional materials, dinner program, and on-site signage. Most importantly, your support will directly fund hands-on learning experiences, research efforts, and public outreach that keep the desert—and the community that depends on it—thriving.
