

# Indigenous Student Association

The Indigenous Student Association (ISA) at SCC is dedicated to fostering cultural awareness and promoting the growth of American Indian students. Our mission is to plan, integrate, and support school and community activities that enrich the educational experience and stimulate personal and academic development.

ISA is supported by the American Indian Program (AIP) at SCC, which offers comprehensive academic and personal support. AIP is committed to creating pathways that ensure a successful and fulfilling college experience for American Indian students, enhancing both their academic achievements and personal growth.
