

Natural Science Offerings Fall 2022

ALL COURSES ARE LIMITED TO 20 PARTICIPANTS 18 YEARS OF AGE AND OLDER.

PRINCIPLES OF NATURESCAPING

Class Number: 38935

Date: Saturday, October 1

Time: 8:00 a.m. - 10:00 a.m.

Discover how to landscape using native plants that benefit wildlife. Participate in a guided walk of Scottsdale Community College's beautiful naturescape. During this hands on activity you will learn how to attract and maintain native pollinators, encourage nesting of birds, and provide habitat essentials for local wildlife. Handicap accessible.

Location: Scottsdale Community College Campus
9000 E. Chaparral Rd., Scottsdale, AZ85256

DISCOVERING THE SONORAN DESERT

Class Number: 38936

Date: Saturday, October 15

Time: 8:00 a.m. - 10:00 a.m.

Hike with biologist Dr. John Weser and explore the ecology of Sonoran Desert organisms. We will discuss the amazing interactions between plants, animals, and microbes encountered on the trail. You'll learn about current conservation efforts used to preserve Sonoran Desert biodiversity. Basic level of fitness required.

Location: McDowell Sonoran Preserve - Lost Dog Trailhead. Specific details provided upon completion of registration.

ROCKS IN THE WILD 1

Class Number: 38937

Date: Saturday, October 29

Time: 9:00 a.m. - 11:00 a.m.

Arrive on the "GeoScene" within the friendly confines of Scottsdale Community College. Start your path toward geologic enlightenment by learning basic mineral and rock identification, as well as how those fold into the unique tapestry of geologic history. Handicap accessible.

Location: Scottsdale Community College Campus
9000 E. Chaparral Rd., Scottsdale, AZ85256

ROCKS IN THE WILD 2

Class Number: 38932

Date: Saturday, November 5

Time: 9:00 a.m. - 11:00 a.m.

Take your understanding to the next level by applying geological principles to authentic field environments at the beautiful McDowell Sonoran Preserve. Hike along with geologist Dr. Merry Wilson and interpret the large scale geologic history of the area. Basic level of fitness required. Rocks in the Wild 1 is not required to enroll in this class.

Location: McDowell Sonoran Preserve - Lost Dog Trailhead. Specific details provided upon completion of registration.

FEE & REGISTRATION:

FEE: \$20 per participant per class.

A MARICOPA COMMUNITY COLLEGE

The Maricopa County Community College District (MCCCD) is an EEO/AA institution and an equal opportunity employer of protected veterans and individuals with disabilities. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, age, or national origin. A lack of English language skills will not be a barrier to admission and participation in the career and technical education programs of the District.

The Maricopa County Community College District does not discriminate on the basis of race, color, national origin, sex, disability or age in its programs or activities. For Title IX/504 concerns, call the following number to reach the appointed coordinator: (480) 731-8499. For additional information, as well as a listing of all coordinators within the Maricopa College system, visit www.maricopa.edu/non-discrimination.
