

When to report? IMMEDIATELY for any of the following conditions

1. As soon as COVID like symptoms appear (no matter how minor)
2. As soon as you are notified that you had a potential exposure.
3. If you are asymptomatic but decide to test, report as soon as you get a positive diagnosis.

Who & where to report to:

1. Students – Your instructors *and*
<https://together.maricopa.edu/covid-19-reporting>
2. Employees – Your Supervisor *and*
<https://together.maricopa.edu/covid-19-reporting>

Which form to fill out:

1. Potential exposure: Report Potential Exposure
2. COVID-like Symptoms: Report Symptoms or Confirmed Case
3. Positive Diagnosis of COVID-19: Report Symptoms or Confirmed Case

DO NOT:

- Wait until you test for COVID-19 to report.
- Wait until you receive your test results to report.
- Do not automatically return to campus, if a negative test result.
