HOUSING RESOURCES

The Scottsdale Community College’s Center for Civic & Global Engagement has created this flyer to provide housing resources for our students. While SCC does not have on-campus housing, we can refer you to a number of different housing options. In addition, a bulletin board in the Student Center’s Cafeteria hallway has postings by students and community members looking for housing and roommates. These 30-day postings must be stamped in the Center for Civic & Global Engagement. For more information on housing location services, roommate search sites, and helpful tips on cost evaluations, housing locations, and housing necessities, please refer to our website: <http://www.scottsdalecc.edu/student-life/civic-global-engagement>.
